ROTARY DISTRICT 6040 GOVERNOR DAVID MC CAUGHEY WELCOMED!

We were pleased to have an official visit by DG David today. In Ralph Cupelli's introduction we learned about DG David's impressive background. In 1999 he became a member of the Rotary Club of Kansas City (Club 13) which was also the same year he started his business, Kelcon Technologies, Inc. Kelcon, a service-driven organization, specializes in helping small businesses. A Marine Corps veteran,

DG David holds a B.S. in Auto Technology/Management and a M.S. in Human Resources. He was the first member of his family to graduate from college. His grandfather operated the No. 1 auctioneer training program in North America. Just like DG David, he believed in helping others. He said donating talents is just as valuable as donating money. DG David's father worked in the automotive industry as a glass installer. In his last year before retirement in September 1991, he calculated he installed 125,700 car windows! He had this advice for his son: choose a job you love and you will never have to work a day in your life. That is what he did! DG David has served in many capacities within his club which has served Kansas City for 110 years. He is involved with the Rotary Youth Camp and the two national honor societies of the Boy Scouts. He quoted Martin Luther King, Jr.: "Everybody Can Be Great Because Everybody can Serve." DG David said helping others will actually make you feel great, you'll have stronger friendships and become a glass half-full type person with a sense of belonging. It will make you feel thankful and helping others will spur others to pay it forward and keep the cycle of happiness going. He had a second MLK Jr. quoted: "If I cannot do great things, I can do small thing in a great way."
