WADE COORTS: It is with great sadness that President Amanda reported Wade's death of a heart attack on Sunday, January 16. Members present today remembered fondly Wade who was a Rotarian for 46 years. No information about services is known.

FOOD DRIVE: Rotary's January food donation to the PAC was 72 boxes of cereal. The PAC very much appreciated this donation and thanks Kirksville Rotary for their efforts during the last year to help in addressing food insecurity in Adair County.

NEW MEMBERS WELCOMED: Ramey Weichelt, manager of ATSU's Thompson Campus Center, and Hy-Vee as a Corporate Member were both inducted today. Aron Barwick, Hy-Vee's principal member, is manager of both the Kirksville and Unionville stores. Pictured from left are Membership Committee Chair Ralph Cupelli, Ramey Weichelt, Aron Barwick and Jeff Romine, sponsor of both new members.

GREETINGS FROM VICTOR: Victor Guillot, a French high school Rotary Exchange Student we hosted several years ago, sends his New Year Greetings to the club through Annette Sweet. He says he started a PhD in the Fall and his research topic is in energy system modeling. He is working on energy transition scenarios and is glad he was able to obtain funding for his PhD. He'll be living in the south of France for the next three years. He enjoys his new location. It isn't as animated as Paris but he is surrounded by nature and close to the sea. (Victor was hosted by the Krusniaks, the Hansons and the Keck/Campbell families.)
