ROTARY PARK: Mark Burger, co-chair of our Rotary Park Committee, told the Officer Installation gathering about recent and planned improvements to our Park including a Corn Hole game added last year next to the lower shelter house. Our club invested \$1,000 in the polished concrete game boards and bags are available at the pool office. Mark and DebI Boughton (pictured left) were the first Rotarians to compete. Also on the project list are two amphitheater benches installed this spring, painting on the amphitheater storeroom walls and doors this month, work now underway by the city to expand the disc golf course, relocation of the Carl Baldwin memorial this summer, and planting memorial trees in accordance with the city's new park planting plan.

PAUL HARRIS FELLOWS! Foundation Chair Jeff Romine (right) presented PHF pins to Tim Peters (left, 3 time recipient) and Dana Delaware (center, 5 time recipient). Our club raised \$20,389 this year for the Foundation or \$222/member - our highest ever! See analysis attached to cover email.
