LANDSCAPING THE NEW CARL BALDWIN MEMORIAL SITE! The Carl Baldwin Memorial (millstone and rock cairn with plaque) was established a few years ago in the northwest corner of Rotary Park in conjunction with the city creating a concrete low water bridge crossing the creek for disc golf purposes. Turns out the crossing's design didn't work out well and the adjacent memorial area constantly flooded. Our Rotary Park committee worked with the city to have the memorial moved to a spot by the existing steel foot bridge in the northeast corner of the park this fall. Landscaping of the memorial took place last week through the efforts of Mike Mitchell, Danny Pagliai, Ruth Bowers, and Mark Burger.

Carl Baldwin was a long-time club member, past president, assistant District Governor, and wore many, many other "hats" in service through Rotary.

AWARDS! Past President Amanda Langendoerfer said our club received five awards at the November 5 Foundation Dinner, including the Presidential Citation! President Marie, who also attended the event, thanked PP Amanda.

50-50 CHECK PRESENTED: Ron Brand chose the \$100 check option when he pulled the "joker" on October 19. The pot continues to grow!

PROGRAM SUGGESTIONS? The committee is scheduling 2023 speakers. Contact Dale Schenewerk <dalecardsfan@gmail.com> if you have a program idea.
