## PRESIDENT RUTH'S GOALS FOR 2024/25

President Ruth spoke about increasing membership which although growing in other areas is not growing in the United States. She spoke about fellowships for a variety of interests (She named wine appreciation fellowship and Rotary History fellowship as examples.) She also mentioned Rotary Action Groups (Iowa has one on club feet, another is on cleft lip and palate - especially appropriate as July is Maternal and Child Health Month.) President Ruth said continuing education is a big goal. She is proposing the club pay for the first ten to sign up for Rotary Leadership Institute. She wants to continue helping an International student. We will continue with social events.
