SPEAKERS TODAY - JASON SCHEMPP AND SHAWN RUSSELL OF AMCN:.

Membership Sales Manager Jason Schempp of AirMedCare Network (AMCN), formerly Air Evac, said service under Air Evac began in 1985 to serve a need in rural communities. Now AMCN is America's largest air medical membership network with broad coverage across 320 locations in 38 states. He said there are no out-of-pocket expenses for members only if flown by an AMCN provider. (There is no reciprocal agreement with other providers).

A rate schedule is attached to cover email. Membership fees cover not just yourself but anyone who resides within your household. You may want to check your medical insurance coverage for emergency transportation before deciding to enroll in AMCN.

In left photo, Jason Schempp (left) is pictured with AMCN associate Shawn Russell (right) who also spoke.
