FIELD OF DREAMS ANIMAL RESCUE

Since 2007, this 501(c)(3) facility's mission has been to provide long-term homes for animals, first through fostering. President Katie Fine said dogs and cats are accepted into foster homes on a space-available basis. Once accepted, Field of Dreams provides necessary medical care (including spay and neutering), socialization, love and training to prepare the dogs and cats for their permanent adoptive homes. Board member Keith Jackson, who has fostered dogs for years, says it is a rewarding experience. Katie said that the animals are vetted but so are the prospective homes.

See the flyer attached to the cover email for how you can help by adopting, fostering, volunteering or providing monetary or supply donations (dog food, cat food or scoopable cat litter). Contact them at 660-342-6023, <FODRO6@YAHOO.COM> or WWW.FODRESCUE.ORG.

50-50 Drawing: Keith Jackson did not pull the ace of spades; pot now up to \$658. Happy Bucks \$28.
