CHECK AWARDED: A check in the amount of \$330 was awarded to Anthony Kolb and “Pathway to Stem.” This pathway is for students interested in science, technology, engineering and math. These fields offer exciting opportunities to solve real-world problems, drive innovation, and shape the future. Pictured from left are Rotarian Marty Jayne, Club President Ruth Bowers, Anthony Kolb and his mother, Robin Kolb.

Qbic presented photos of his experiences here in America. Some highlights are participating in soccer and a choir. He enjoyed fishing with Dr. Uyi and traveling to St. Louis and Chicago with the Quinn host family. The Chicago visit including a visit to Rotary International headquarters in Evanston, Illinois where he got to shake hands with Paul Harris (the statue, of course)! Qbic’s last day of school is May 22. We also need to be thinking about a Bon Voyage Party around May 23, 24 or 25. Annette believes his parents are flying in to meet him here and take him home with them. They have been invited to stay with the Quinn family. Qbic’s father is president of his Rotary club in Thailand this year.
