MAJOR NATHAN HARMS ON THE SALVATION ARMY

The Salvation Army is a Protestant Christian church and an international charitable organization founded and headquartered in London, England. It is one of the largest social service providers in the United States. They are committed to serving our neighbors in need of assistance. Throughout the country, The Salvation Army's emergency assistance programs are helping families pay their bills so they can keep the power and water on, fill prescriptions, and access transportation when necessary. They also provide rent and mortgage assistance.

Fellow member Nathan said the local The Salvation Army Food Pantry serves approximately 300 families per month. Due to the government shutdown last month, they saw an increase in demand. The Red Kettle Campaign is currently at 25% of their $25,000 goal. Major Nathan Harms is hoping that by the end of the weekend (with our bell ringing efforts this Saturday) that we should be up to 50%. In April 2026, they will celebrate their 100th Anniversary of existence in the Kirksville Community! More exciting announcements for future expansion to come in the weeks & months ahead. Their biggest donation need at the thrift store? Furniture. Nathan is pictured here with President Elizabeth & his Rotary sponsor, Bill Lovegreen (right).
