### CITY OF KIRKSVILLE PARKS AND RECREATION DIRECTOR ROBIN HARDEN

In Matt's introduction we learned that Robin has been working for the Parks and Recreation Department since 1998. She holds multiple American Red Cross certifications and teaching credentials and is a Certified Aquatic Facility Operator. As Parks and Recreation Director, her goals focus on maintaining safe, clean and well-maintained parks and facilities, preserving and improving community amenities, expanding recreational opportunities for residents of all ages and continuing to build strong connections between the department and the community it serves.

Robin Harding updated us on various city projects. She said auditions are being held for "Finding NEMO" as well as a kids theater camp later. She said a grand opening will be held at 5:30 PM on Thursday for the new P.C. Mills Splash Pad. She said food and games will begin at North Park at 5:30 PM, on July 4, with a fireworks display set off by the Fire Department later. She encouraged us all to attend.
