## ROTARY CLUB OF EASTERN INDEPENDENCE REQUEST FOR FUNDS STATEMENT

The Eastern Independence Rotary Club is pleased to be able to offer funds for community projects, programs, and needs. We ask that this form be signed along with the application for the request of funds. Please submit both documents in one of three ways:

- Email both documents to [eastindep Rotary@gmail.com](mailto:eastindep Rotary@gmail.com)
- Mail to 16657 E. 23<sup>rd</sup> Street #271 Independence, MO 64055
- Turn into any club member

I understand that should my request for funds be approved I agree to the following within one year of receiving funds from the Eastern Independence Rotary Club:

- If this request is approved, you must visit one weekly club meeting to allow the club the opportunity to publicly present the funds.
- Be willing to do a presentation/program at a future Rotary Club weekly meeting upon a mutually agreed upon date.
- If your request is \$500 or greater, you must be able to provide verifiable, measurable outcomes of the impact of our contribution toward this project. Specific details should be included in the report that you provide to the club.
- By completing and submitting this form, you indicate that you understand that this request will be reviewed by the existing Eastern Independence Rotary Club Giving Committee and Board at the next scheduled Board meeting, and the decision of that body is final.
- The Eastern Independence Rotary Club reserves the right to refuse funding to any person or organization that, in its opinion, does not adhere to the mission and values of Rotary International.
