Who can be a Rotarian?

Men and women from a broad range of professional, managerial, community based or business ownership backgrounds. Most importantly they must want to serve their community and attend their club regularly. A significant cross section of a community's vocational life is represented — one of Rotary's great strength.

Community Connection

Rotarians are active in raising funds and supporting projects involving health and education and the development of young people — in their neighborhood, nationally and internationally.

How do you join?

Membership is by invitation, but if you don't know anyone in Rotary, call 816-222-0771 for assistance. A person who is interested in joining is invited to attend a meeting to learn more about Rotary. Their name is submitted to a membership committee to begin an induction process.

Friendship

A strong sense of camaraderie develops through a variety of club activities. Rotarians stand together in good and bad times. Lifelong friendships are often formed.

Networking

Everyone needs to network. Each club has a membership drawn from all walks of life. Rotarians support each other as well as helping those in need.

The magic of Rotary is that it allows ordinary people to achieve extraordinary things. For over one hundred years, ordinary people around the world have come together as Rotarians to unite the power of one with the power of many to bring about exceptional change in the world.

Rotary is a worldwide organization of more than 1.2 million business, professional, and community leaders. Members of Rotary clubs, known as Rotarians, provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world. There are 33,000 Rotary clubs in more than 200 countries and geographical areas. Clubs are nonpolitical, nonreligious, and open to all cultures, races, and creeds. As signified by the motto Service Above Self, Rotary's main objective is service — in the community, in the workplace, and throughout the world.

making a difference

Polio Plus, the most ambitious program in Rotary's history, is the volunteer arm of the global partnership dedicated to eradicating polio. For more than 20 years, Rotary has led the private sector in the global effort to rid the world of this crippling disease. Today, Polio Plus and its role in the initiative is recognized worldwide as a model of public-private cooperation in pursuit of a humanitarian goal.
