Corporate Membership

We are keeping up with the very busy lifestyles of working professionals as well. This membership is paid for by a corporation. One corporate member is designated as the Corporate Executive Designee while the other corporate members (up to four others) are considered the Corporate Designees. The cost of a corporate membership is the same as an individual membership with the only difference being that the corporate will pay for at least one meal every meeting and more meals if more than one corporate designee comes to the meeting. Membership includes:

Parkville club volunteer events including the flag program, weekly informational speaker meetings with one lunch, and monthly socials.

District & State conventions, volunteer events and socials.

Rotary International Magazine, International Convention, Professional Development Courses, Leaderships Courses, Rotary: Fellowships, Action Groups, Friendship Exchanges, Community Corps etc.

Cost: Annually \$743.00 paid quarterly \$187.75. Includes Parkville, District and International dues and meals.

Dues are subject to increase/decrease annually.

Attendance Requirements:

60% attendance is encouraged by Rotary International.

Fundraiser Participation:

The Parkville Rotary Club supports charitable endeavors locally, nationally and internationally. In an effort to provide a sustainable source of income for our contributions we developed the "Fly the Flag" program in 2014. For an annual contribution the club will deliver an American flag to a home or business for display on Memorial Day, Independence Day, Labor Day, and Veterans Day. Flags usually remain in place five or six days before retrieval. Parkville Rotary Club provides the flag, labor, maintenance, and storage.

As a Member of the Parkville Rotary, we would like you to be a part of this fundraiser by signing up for a flag deployment team. You may work with a fellow Rotarian to learn and then you can start your own route such as in your neighborhood. Always fun to get the family and friends involved as well.

New Member Induction:

All new Members will be required to attend an informal informational meeting about the Parkville Rotary Club prior to the member being inducted. The new Member shall be inducted into the Parkville Rotary Club after approval by the Board, the club membership application, and completing the informal informational meeting.

Rotary District & International:

A new Member is automatically a Member of Missouri District 6040 and Rotary International. Dues are paid by the member quarterly.

Club Participation:

1. Every Rotarian Every Year (EREY): This initiative encourages all Rotary club members to contribute \$100 every year to help Rotary International reach its goal to support the Rotary Foundation financially each year.
2. New members to learn more about the Club are encouraged to sign up for Committee(s). Club Committees connect our club members together thru activities and projects. Please sign up for one committee or more that may interest you:
