SERVICE ABOVE SELF

Since our founding in 1905, the Rotary Club has been a place where professionals with diverse backgrounds can exchange ideas, build relationships, and take action. We bring together those who are willing to step forward and take on local and global issues to make lasting improvements in our communities and around the world.

A diverse group of individuals call themselves Rotarians, including doctors, artists, small business owners, and stay-at-home parents. This multidisciplinary perspective helps us see challenges in unique ways as we apply leadership and expertise to social issues - and find unique solutions.

From Haiti and Greenland to Nigeria and Singapore, Rotary International's over 1.22 million members unite at home and across the globe to put our experience and knowledge to work tackling our most pressing challenges.

As a Rotarian, your contribution of time, energy, and passion for sustainable, long-term projects, helps us focus on:

- Promoting peace
- Preventing diseases
- Providing access to clean water & sanitation
- Enhancing maternal & child health
- Improving basic education & literacy
- Helping communities develop
