For Rotary, The Four-Way Test is the cornerstone of all action. It has been for years, and it will be in the future. Of the things we think, say or do

### ROTARY 4 WAY TEST

--- 1 ---  
Is it the **TRUTH**?

--- 2 ---  
Is it **FAIR** to all concerned?

--- 3 ---  
Will it build **GOODWILL**  
and  
better **FRIENDSHIPS**?

--- 4 ---  
Will it be **BENEFICIAL**  
to all concerned?

As Rotarians, we should have The Four-Way Test in mind in every decision we make, all day long. Our utmost responsibility is to Speak The Truth, to Be Fair, to Build Goodwill and Better Friendships, and to do our very best in all situations.

4 Way Test was developed  
in 1932 by  
Herbert J. Taylor.

# Report

FROM THE APRIL 4 MEETING

Sandra Scherf  
Reporter

Greeted by the always-smiling **Doug Clark** and **Rick Binder**. Impressed by all the Rotary business unfolding in the buzzing foyer: **Linda Stouffer** and **Jim Davies** bustling over beer and vendors for our June 28 Kids, Kegs and Crafts fundraiser; happy engaged chatter by dozens of teeming throngs of swarming-coffee drinking-do-gooding Rotarians; **Louise Andres** smiling and District-Governing magnanimously over us all. And our meeting hadn't even begun yet. Just another dynamic Friday in LJGT Rotaryland.

Somewhat unusual opening: **President Brett** did TWO dings because the first one was a dud. He turned down the music, and ROTD **Roger Drexler** blessed us the Irish way: "May the road rise up to meet you..." **Roger's** comments were thematic - education, work, Rotary. Nursery school through UCLA grad school, M.A. in hospital administration, plenty of time in the military, 25 years with Sharp (favorite sojourn at the Rehab Center), 4 years teaching healthcare management, interesting venture in business cleaning ducks. Or maybe it was ducts. Fabulous metaphor of Rotary as a jewel in his life, facets on a beautiful ornament, the gifts and joy of service above self. Visual effects enhanced by **Dentist Dennis**.

*"...may the wind be always at your back..."*

Fabulous beast, the **Tecate** frog, successor to the burro and the pig, graciously presented by **Tom Elliott**, the butt of many corny hopping and croaking jokes. The frog. Not **Tom**.

*"...may the sun shine warm upon your face..."*

Guests: **Louis Scotti's** frequent breakfast compadre **Tim Barzal**; the incomparable, inimitable **Susan Brown**, **Barbro's** sister from Chapel Hill; **Nancy Brown** (**Stu's** widow); **David Chong's** father **Al**.

High 5's way out of control: **Linda Laara Jackson Gervais** did a Happy 4 (???) for **Joe Howell** for something. (See what I mean?) **Dianne Day** had a hole-in-one. As in golf. **Pete** told us **Dory** has already started an international service project with the Rotary at their second home in the Bay Area. (No surprise there. She's AMAZING!) **Sandi Rimer's** son got promoted to co-manager at the Hermes flagship store in Beverly Hills. **Richard Tilles'** daughter is an honors graduate student in physics. **Irwin Rubenstein's** son has a new job in D.C. with PBS. **Mike Bardin's** oldest granddaughter has a drivers' license. **Tony Grillo** said something wonderful about helping the "climbing team(?)" but you couldn't hear because there was so much ruckus still going on about **Mike's** granddaughter.

*"...and the rain fall soft upon your fields..."*

**Susan Schwarz** honored three Paul Harris Fellows:

**Dave Davis, Tim Barzal, and Louis Scotti.**

Poignant moment when **Brett** presented **Nancy Brown** with a special memento honoring her LJGTR charter member husband **Stu** in a melding of law enforcement support, dear friend **Frank McGrath**, and Rotary. **Kevin Carlson** spearheaded the project at the Family Justice Center that honored **Stu** with an excess of \$50,000 equivalent worth of goods and services. **Rick Clark** is preparing one of his highly memorable videos of the project. He will debut his film the morning that **SD Police Chief Shelley Zimmerman** is our guest speaker.

Community service meeting today. **Linda Stouffer** urged all to register and to recommend potential vendors for our June 28 Art and Craft Beer Festival. First male model: **Brett** in the cool black Kids Kegs and Crafts t-shirts.

Second male model: **David Tansey** in his car mechanic suit providing segue into Road Rally 2014. **Emidio** recounted it all with breathtaking drama about screeching tires, HOA fines, drifting around corners, gold-plated dipsticks and the **Tanseys** relationship challenge when **Kathleen** said turn left, **Dave Davis** and the golden sneaker (get it? "runner" up?), **Joel** and **Chris** "winning" because they're new and they didn't know any better.

**Ellen Bryson** still needs bunnies next Friday (DID ANYONE MENTION WE MEET AT THE SHERATON THAT DAY?) for her Door of Hope gift baskets.

**Bev Fritschner** (Go ZLAC and thank you and **Jacquie Reilly** AGAIN for the beautiful new directories) introduced her friend and neighbor **Joanne Pastula**, President and CEO of Junior Achievement of San Diego and Imperial Counties. She educated us about the goals and accomplishments of Junior Achievement working with tens of thousands of young people in 250 schools over the years. She focused on BizTown and Finance Park teaching financial literacy through experiential learning. BizTown is currently functioning and Finance Park is projected for completion in 2015. In JABizTown, 5th graders experience the adult roles that actually run a city. JAFinance Park is a game of life for high schoolers where the focus is on personal budgeting simulations preparing to be consumers, investors, and workers. They learn about everything from FICO scores to philanthropy. Students have weekly lessons for five weeks in preparation for their one-day field trip experience to JABizTown.

**Rick Clark** said grandparents can verify their age by checking their underwear label and that making babies is easy. Just change the "-y" to "-ies."

*"...and until we meet again (AT THE SHERATON) may God hold you in the hollow of His hand."*
