The first auction was won by **Sheila Henry** for \$300. I was not sure who won the Faux Iron. I will confirm the details this week and report it in next week's bulletin .

After many weeks of being squeezed out of the program due to lack of time, Fine Master **Denny Jacobs** was called up to "do his magic" He pulled out his list of wrongdoing that he had been compiling over these weeks and then proceeded to try to make up for lost time by handing out 8 fines. Thanks for the additional fund raising **Denny**. Also, thanks to those whom he fined for your donations.

AUCTION

SILVER BELT FROM BANGKOK

A sterling silver belt bought in Bangkok—intricate, exotic and beautiful—you won't see another like it. It will fit a 28-33" waist. My jewelry appraiser says it's worth several hundred dollars.

ROTD

rotarian of the day

Southern Californian:

I (**Tom Elliott**) am a fourth generation Southern Californian and have lived along the coast most of my life ... Seal Beach, Long Beach, Dana Point, Newport Beach, Encinitas and Carlsbad. I met my wife, Nancy, at The University of Southern California and we are both former practicing CPAs. Three of our children are Trojans and one is a Torero (USD) ... it's been said that every family has at least one "Black Sheep".

Business:

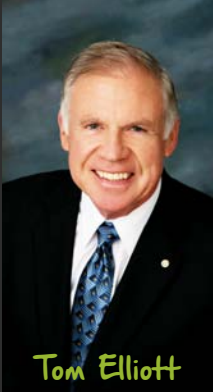

I have been involved in or owned a number of business endeavors: CPA (Deloitte), President of a publicly traded real estate developer, court-appointed Bankruptcy Trustee, builder of more than 100 homes for speculation, started and operated a chain of 4 drive-through key duplication and engraving kiosks called "Fast Keys". In the early years as a builder my long-time friend **Wayne Davis** helped me learn the construction business. Since 2000 my focus has been in my Life and Health Insurance business. Perhaps you have heard me on KCBQ or KFMB radio.

Donuts:

What you don't know: When I was building houses in North County it was necessary for me to take plans around to subcontractors for bids, get permits and running other errands. In every community in North County I knew where at least one donut shop was and what was best. We used to call donuts "Contractor Vitamins". That "vice" was given up long ago and was a major contributor to my Total Cholesterol being almost 300 at one point!!!

Rotary:

My first experience with Rotary was 10 years in the Del Mar Rotary Club. The club used to meet at Noon at what was then the Whispering Winds Golf Club for lunch. There was a select group of us who would meet early for a few beers before each meeting started. Later the meetings were moved to a church and that fun came to a very sudden end.

Tom Elliott

I joined this club in 1995 and have been involved in many club activities. I have enjoyed running and being a part of the many hands-on projects the club has done over the years.
