Dr. Blanchard has earned a reputation worldwide as a compelling motivational speaker, an accomplished management consultant and trainer, a best-selling author, and an entrepreneur. She was the co-recipient with her husband, **Dr. Kenneth Blanchard**, of the Entrepreneur of the Year award from Cornell University.

Coauthor of *The One Minute Manager*, *Balances Work and Life* and *Working Well: Managing for Health and High Performance*, and *Leading at a Higher Level*, **Dr. Blanchard** is well-versed in a variety of topics and often speaks on leadership, balance, managing change, aging parents, and life planning.

As cofounder of The Ken Blanchard Companies®, she works diligently with **Ken**, developing the company into one of the premier management consulting and training companies in the world. **Dr. Blanchard** served as president of the company from 1987-1997, leading its rapid growth and success.

Margie now heads the firm's unique Office of the Future — a think tank charged with shaping the future of both the training industry and the company.

Dr. Blanchard received her bachelor and master degrees from Cornell University and her doctorate from the University of Massachusetts, Amherst.

The Leadership Difference.®

LPOV Description of Program

Successful leaders want the people they support and depend on to win. Key to this is your ability to create an environment of trust, and trust begins with mutual understanding. A valuable tool for achieving trust on the basis of understanding is your ability to communicate your "Leadership Point-of-View" (LPOV).

The LPOV is your personal "elevator pitch"—it describes your own journey, your learnings and insights, your goals and your expectations. Armed with this message, leaders are able to quickly and efficiently establish a deep, trusting relationship with their teammates and increase their chances of building a strong followership.

Margie Blanchard will share with you how to craft your own leadership point of view so you can share it with the people and teams you lead.

Upcoming ROTD

May 9..... Jim Frost
May 16..... Marty Rosenstein
May 23..... Seth Koeut
May 30..... Dennis Bucko
June 6..... Sandra Sher

For Rotary, The Four-Way Test is the cornerstone of all action. It has been for years, and it will be in the future. Of the things we think, say or do

ROTARY 4 WAY TEST

--- 1 ---
Is it the **TRUTH**?

--- 2 ---
Is it **FAIR** to all concerned?

--- 3 ---
Will it build **GOODWILL**
and
better **FRIENDSHIPS**?

--- 4 ---
Will it be **BENEFICIAL**
to all concerned?

As Rotarians, we should have The Four-Way Test in mind in every decision we make, all day long. Our utmost responsibility is to Speak The Truth, to Be Fair, to Build Goodwill and Better Friendships, and to do our very best in all situations.

4 Way Test was developed
in 1932 by
Herbert J. Taylor.

Report

FROM THE APRIL 25 MEETING

Erik Mjoen
Reporter

President Brett called our meeting to order and welcomed ROTD, **Linda Andrews** who encouraged us all to adopt the Rotary values as life service and not lip service. **Linda** who is a Broker with Coldwell Banker has spent 28 years in real estate. She also discovered the International Skiing Fellowship within Rotary this year which took her on a weeklong alpine adventure to Winter Park, Colorado.

Will Moore introduced a large number of guests including (but not limited to):

San Diego Police Chief Shelley Zimmerman

Lt. Charles Lara

Mary Keane (Bill Keane's wife)

Leticia (Letty) Schmitten

(Ron Kohl's girlfriend)

Charlie Hogan

UCSD Rotaractors **Patrick**

Wu & Alan Yeung

Lisa Miller from the Down-

town Club

Jennifer Schaefer (friend of **Kathleen Tansey**)

Dr. Douglas A. Brown (San-
dra Scherf's significant other)

Jack Lander & someone else (both
friends of **Brett Morey**)

Jake Moore (Will Moore's son)

ANNOUNCEMENTS:

Ellen Bryson announced the successful completion of the Easter Basket Project for Door of Hope at Sharp Hospital. There will be a Spring Fling social mixer and prospective member event at Frost Hardwood on Thursday, May 15th. **Alex Monroe** will be leading the Rotarians at Work Day on Saturday, April 26th (8am-12pm) for clean-up and landscape work at the Nobel Athletic Field & Rec. Center. It is also worth noting that **Alex** was absent this morning due to the arrival of the youngest addition to the **Monroe** family. Apparently his 2 minute contribution in the production phase

has yielded excellent results. Our best wishes to **Alex** and **Samantha**! **Susan Schwartz** introduced two Paul Harris recipients. **Bill Keane** received his first Paul Harris pin (and was photographed by his wife, **Mary**). **Ron Kohl** was awarded his 5th Paul Harris (which is a pin with 4 sapphires on it according to **Pete Griffith**) which he dedicated to his girlfriend **Leticia (Letty) Schmitten**. **Letty** was subsequently recognized by **Chief Zimmerman** for her crisis intervention volunteer work with the San Diego Police Department.

Brett recognized **Kevin Carlson** for his tremendous effort in making the Family Justice Center project a successful reality. This project is dedicated to the late **Stu Brown** who was charter member of our Club.

Chief Shelley Zimmerman was made honorary member of the La Jolla Golden Triangle Rotary Club. She expressed her sincere appreciation and drew a parallel between the shared values of the San Diego Police Department and Rotary represented through "Service Above Self".

We were treated to another **Rick Clark** Productions' masterpiece documenting

the hands-on work and transformation of the Family Justice Center.

Our speaker was **Lieutenant Charles Lara** who is head of the San Diego Police Department Family Justice Center (FJC). Lt. **Lara** spoke passionately about how much it meant to him and his department, as well as the population they serve, to receive the kind of help and upgrades to their facility. The 22,000 sq. ft. office serves as a beacon of hope for the people in the worst possible moments of their life. That includes fielding over 9000 phone calls and taking more than 8000 visits from San Diegans who have been victims of domestic violence, sexual assault, human trafficking, stalking, and bullying. The FJC was founded in 2002 and is the first center of its kind.

It is the culmination of a singular vision to meet all of domestic violence victims' needs in a single location. The groundbreaking work done at the Family Justice Center has become a model for the country and the world for co-located services with law enforcement, prosecution, and victim services in one place. Real progress is being made. Last year there were only 3 homicides recorded in San Diego County as a result of domestic violence- the lowest number ever recorded. Still the need is great. During a lifetime 1 of 4 women in the US will be victims of domestic abuse at some point.

At the end of his presentation, **Lt. Lara** apologized to **President Brett** for going over the budgeted presentation time. **Brett** was quick to point out that because **Lt. Lara** had a gun he could go as long as he wanted. Obviously this was not **Brett's** first rodeo.

The meeting was adjourned after a short video providing us with a more in-depth understanding of fracking and the risks of being fracked - courtesy of **Ron Kohl**.

David Tansey became a psychologist after a two-year career as a Chemical Engineer and a 13-year career as CEO of a family company manufacturing aircraft control pulleys and thermoset molded plastics. He has now been licensed for 36 years as a Clinical Psychologist.

He is a partner and Research Director at Hanbleceya, a therapeutic community for seriously mentally ill adults many of whom have a co-diagnosis of substance abuse. Hanbleceya provides an intense treatment program, a place to live, education or a job, and hope for recovery. The goal of the treatment is to assist patients in developing the skills to function as independently as they can learn to be.

Basic to the program is a loving, safe, structured environment where participants can see and practice integrity, responsibility, openness, self-soothing, and self-discovery. They are helped to avoid passivity, practice supportive confrontation, distinguish response from reaction, be aware of the thought processes that support maladaptive behavior, and find both support and acknowledgment for their healing journey.

Dr. Tansey has presented papers about Hanbleceya's program to the International Society for the Psychological Treatments of

the Schizophrenias and Other Psychoses meetings in Melbourne, Australia, and Madrid, Spain.

David was a charter member of the Club, served on the first Board of Directors and has been Chair of the International Service Committee and Fine Master. He has served on the District Committee to select outbound Ambassadorial Scholars.

For years, **David** and his wife **Kathleen** have worked jointly on RI and Sister Cities International projects. Six years ago, she finally followed him into our Rotary Club and became the fastest Rotarian to advance from red badge to blue badge.

They have traveled to Southern Africa as members of the Fellowship of Birdwatching Rotarians. While there, they attended the District Conference in Swaziland. They are also active in the RI Travel and Hosting Fellowship and have enjoyed visits from fellow members from all over the world as well as participating in Fellowship tours in Thailand and Portugal. During

their travels, **David** has had the privilege of making-up in 31 countries and visiting in 44 more.

He has played senior slow-pitch softball twice weekly for 22 years. Last year he added water exercise thrice weekly. He enjoys gourmet cooking, movies, theater, reading, the very rare round of golf, crossword puzzles, and sudoku.

SENIOR = SLOW-PITCH = SOFTBALL
