THE LA JOLLA **GOLDEN TRIANGLE** ROTARY CLUB

COMMUNITY SERVICE TEAM

The Community Service Team of the La Jolla Golden Triangle Rotary Club, lead by **Ellen Bryson** and **Alex Monroe** will report on many of the amazing service projects completed throughout this Rotary year. **Ellen** is on assignment in Alberta Canada...is that code for a much needed vacation? In her absence you will hear from many Rotarians within our club that have made 2013-14 such a huge success. From Operation Camp Pend-

leton thanks to the generous personal donation of **Steve & Susan Brown** to the SDPD Family Justice Center which **Kevin Carlson** organized and dedicated to **Stu Brown**, it has been an absolutely incredible year. Bring a friend to learn more about the many other projects your Rotary Club supports annually. From dinners at the VA Hospital, serving families at the Ronald McDonald House, decorating the YMCA Oz, Salva-

tion Army Easter Baskets, Therapeutic Horsemanship, Children's Books for literacy, Rotarians at Work Day, Dress for Success and even the newest project at MCAS Miramar there are so many outstanding Rotarians that make the La Jolla Golden Triangle Rotary Club "**The Most Dynamic Rotary Club in the World!**"

For Rotary, The Four-Way Test is the cornerstone of all action. It has been for years, and it will be in the future. Of the things we think, say or do

ROTARY 4 WAY TEST

--- 1 ---

Is it the **TRUTH**?

--- 2 ---

Is it **FAIR** to all concerned?

--- 3 ---

Will it build **GOODWILL**
and
better **FRIENDSHIPS**?

--- 4 ---

Will it be **BENEFICIAL**
to all concerned?

As Rotarians, we should have The Four-Way Test in mind in every decision we make, all day long. Our utmost responsibility is to Speak The Truth, to Be Fair, to Build Goodwill and Better Friendships, and to do our very best in all situations.

4 Way Test was developed
in 1932 by
Herbert J. Taylor.

MARTY ROSENSTEIN

New York Yankees

I was born, raised, educated, married, raised my family, spent my career, and retired all within a fifty mile radius in the New York-New Jersey Metropolitan Area. Although this may seem provincial and a bit boring, I have no regrets. We love the new life we have in Southern California, and have grown to appreciate the kinder, gentler interpersonal relationships, but deep inside I will always identify as a New Yorker, and my moods will be strongly influenced by the fate of my beloved Yankees.

I was originally trained as a pediatrician, but took a fellowship in allergy and immunology and eventually practiced in that field because of my interest in working with asthmatic children. I spent my entire career in the solo practice of medicine which became more and more unusual as medicine switched to the large group model. My professional office was very patient friendly, and I enjoyed interacting with and becoming involved in the lives of my patients and their families and providing the safe haven which the doctor's office had once provided. The practice of medicine began to change and I

elected to retire early from something that I had always loved, rather than hang on to the point where I would have become disillusioned.

Sharon and I celebrated our 43rd wedding anniversary this year and we have raised three wonderful and caring children. Our 3 daughters are married and all live in the Northeast along with three wonderful grandchildren. This keeps us travelling across the country quite regularly.

I have been a Rotarian for 36 years. Since joining the La Jolla Golden Triangle Rotary Club, I have been able to fulfill many of my Rotary ambitions. I have worked with youth through interact, rotaract, and model United Nations. I have led a Vocational Training Team to South Africa and have been very active in work in that country. I have served as District international service chair. I am currently the District Interact Chair. I feel privileged to be a part of this incredible Rotary club and to work along with the amazing individuals I have met here.
