For Rotary, The Four-Way Test is the cornerstone of all action. It has been for years, and it will be in the future. Of the things we think, say or do

### ROTARY 4 WAY TEST

--- 1 ---  
Is it the **TRUTH**?

--- 2 ---  
Is it **FAIR** to all concerned?

--- 3 ---  
Will it build **GOODWILL**  
and  
better **FRIENDSHIPS**?

--- 4 ---  
Will it be **BENEFICIAL**  
to all concerned?

As Rotarians, we should have The Four-Way Test in mind in every decision we make, all day long. Our utmost responsibility is to Speak The Truth, to Be Fair, to Build Goodwill and Better Friendships, and to do our very best in all situations.

4 Way Test was developed  
in 1932 by  
Herbert J. Taylor.

## You've Lost That LOVING FEELING

**President Ron Kohl** called the meeting to order at approx. 7:25am. **Ron** reflected on last week's meeting topic, his young adult son and the time to age 70. He also noted that a quarter of his term as our President has already passed and how time is just flying by. He introduced Rotarian of the day **Jay Hatfield**. **Jay** recognized **Rick Clark** and showed his video of "The Unrighteous Brothers" singing their hit "You've Lost that Loving Feeling." You may remember that **Jay** had a Cousin who was in a music group in the 60's that covered that song with moderate success.

**Jennifer Schaffer** moderated the introduction of the many guests.

**Rick Binder**: **Alyssa Davis**;  
**Linda Stouffer**: Friend and client  
**Scott Aries**; **Brett Morey**: **Tom Stocking** from TCI. He is here for the second time and considering membership. **Brett** also brought **Raul De La Torre** an Industrial Engineer looking for Employee Opportunities in San Diego;  
**Pam Russell**: **Tim Billings** from Embassy Suites and a former Rotarian from San Luis Obispo; **Dr. Antonio Grillo**: his wife **Maria**; and finally **Rick Clark** had two guests: **Dawne Clark** of US Trust and **Javier Clark** from the City of San Diego. (That's a nice group of Clarks!!!)

**President Ron** reviewed a few new club policies and items of note:

1. When a member brings a guest the member pays for the first breakfast. That way a guest's first meal is free. If that guest eventually joins then the member is reimbursed for the

meal. Also, for children guests: Children under 6 are free, from 7-15 are ½ price and all others full price.

2. A person is considered a "new Member for the first 18 months
3. He thanked **Dory** for compiling the list of members who will open up their homes in the event of a disaster. Both members that will and will not accept large snakes.

### Member Announcements:

**Bev Fritschner**: the *Seven Bridges Hike* and pot luck on 11/15. Also a great way to get to meet and know other club members better. Also, we need a good showing of members from our group for the next District Conference Meeting.  
**Dave Wiegman**: *The Casa De Paz* project on October 18. Help improve the living situation of orphans in Mexico. They also need donations of food and non-perishable food. A great trip for charity, fellowship and fun. This is **President Ron's** pet project.

**Kim Schaffer** then made a special introduction of **Naymana Suleman**. She is a Rotary Scholar in the Masters Peace and Justice Program at USD. **Naymana** made a few comments regarding her activities.

**Steve Brown** gave a presentation of a dues increase proposal also tied to the cost of living. It was voted on and passed by the members. He then gave a detailed, (too detailed to try to recount) account of some International projects. As was noted during his presentation, "the meeting notetaker" was overwhelmed by the depth

of **Steve's** report and is just filing in the basic details caught.....sorry **Steve**!

**Brett Morey** presented **Rick Clark** with his 4th Paul Harris Award. **Rick** dedicated it to his children... with his son **Javier** receiving the pin and certificate. Congratulations and thank you!!!

The vast fortunes of our members were preserved for a week when in the interest of time, **Fine Master Mike Schwartz** was preempted from the program.

**Erik** introduced the main speaker: **Shawn Dewitt**. He is the Director of Brewery Operations at *Coronado Breweries*. They have been in business for 18 years. They are now in the process of opening up a new facility in Imperial Beach. He talked in detail about the beer festivals and how they learned that there is a definite strategy in how you enter your beers to win awards. He recounted the exciting story of how they have started to win the awards and international recognition for his beers, including a competition in Chile. *Coronado* is doing very well and last year was their best year. They have now moved into the top group of Brewers and along with that success have now had to plan for the higher level of quality control and business management that goes along with that volume of business and success.

**President Ron** concluded the meeting with a nice thought for the coming week.
