## San Diego Song

I was asked to present my *San Diego* song "I Found My Perfect City" (23,000 views on YouTube) and talk about the process of song-writing in general. I am planning to actually present that song, and provide some more insight about the motivation and circumstances related to that song - it won the popular vote in the *San Diego Magazine* contest for a song about our city.

I also want to present another - very personal - song titled "My Home" that addresses the process facing the first generation immigrants to the US.

If there is some interest, I also want to present a quite unique musical parody: I will imitate with my voice various musical instruments using a commonly known musical theme. As an singer/songwriter of over 40 songs, I will be happy to answer any relevant questions.

For Rotary, The Four-Way Test is the cornerstone of all action. It has been for years, and it will be in the future. Of the things we think, say or do

### ROTARY 4 WAY TEST

--- 1 ---  
Is it the **TRUTH**?

--- 2 ---  
Is it **FAIR** to all concerned?

--- 3 ---  
Will it build **GOODWILL**  
and  
better **FRIENDSHIPS**?

--- 4 ---  
Will it be **BENEFICIAL**  
to all concerned?

As Rotarians, we should have The Four-Way Test in mind in every decision we make, all day long. Our utmost responsibility is to Speak The Truth, to Be Fair, to Build Goodwill and Better Friendships, and to do our very best in all situations.

4 Way Test was developed  
in 1932 by

He stated that 81% of Calif. Is in the state of Severe Drought. We are in the worst 14 year drought in the past 100 years. Storage levels in Lake Powell are significantly down, the projected shortage in Lake Meade is higher and the snowpack continues to be way down. It is predicted that there are less than 2 years left of storage. The severe drought has significant negative effect on agriculture. It also will affect the amount and severity of wild fires. The negative outlook persists. We need frequent drenching rains!!!

President **Ron** closed the meeting reminding us that our meeting on 10/17 will be at the Braille Institute. He then told us a story to leave us with a smile.

# ALEX MONROE

**SAVE THE DATE:** November 1<sup>st</sup>, 2014 from 3pm to 6pm.

I will come back to why. First this:  
**FAMILY. WORK. ROTARY.**  
My life summed up in three words.

**FAMILY:** I am blessed to have three beautiful boys, **Jack** (6), **Emerson** (4), and **Willem** (almost 6 mos.). I am even luckier to have an amazing wife for the last seven years in **Samantha**. We moved to San Diego from Santa Fe, NM in 2011 and decided to settle in Solana Beach and I don't think we can ever leave. Between the friends we've made through school and sports, and being able to go down to the beach for a quick dip we feel like we've found the right town for us.

**WORK:** I also feel blessed to be working with four amazing individuals. In fact, I feel like they are extended family. My partners and I do comprehensive financial planning and wealth management. In

addition to focusing on investments, we spend a good deal of our time helping to establish budgets, managing cash flow, and tax/estate planning. I find it to be very rewarding work and I am extremely fortunate to have great clients who I thoroughly enjoy working with!

**ROTARY:** Having a sense of purpose in my life is a necessity and while my family and work provide a great deal of that, Rotary helps my bucket overflow with it. The friendships I have gained and the difference we make as a cohesive unit is something special and I am lucky to be a part of it!

Now back to the save the date on November 1<sup>st</sup> from 3pm to 6pm. In addition to being a great wife and mother, **Samantha** and her family, specifically her mother, **Sally** started a non-profit. The non-profit is the, *David Fellers Healing Art Foundation*. It was inspired by **Samantha's** late brother who lived with

cerebral palsy until he was 31. Their goal is to provide medical equipment and medicine to children in third world countries. Nicaragua is the country currently in focus. The DFHAF partners with artists of all kinds to raise money to accomplish their goals, which brings me to the event taking place on November 1<sup>st</sup>. We will be hosting the *David Fellers Healing Art Foundation 1<sup>st</sup> Annual Art Show & Auction* at the Brigantine in Del Mar. We will have an array of featured artists including **Aaron Chang**, **Nick Brown**, and more. We hope you all will be able to make it! Invitations to follow.
