The newest and least known committee of our rotary Club is presenting. Perhaps people recognize us by the Mixers that we have sponsored. Although we love to party, we also have a number of serious projects. So tune in to our program and learn about the exciting projects that are on board.

The panel of presenters includes **Sheila Henry, Alex Kirkpatrick, Joel Candib, Tom Hinton**. Other active members of our committee are: **Barbro Kirkpatrick, Bonnie Arora, Krishna Arora, Fary Moini, Sandra Scherf and Dave Tansey**. **Laara Gervais** was co-chair of our committee before she had to leave the Club since she is moving to the East Coast.

Our committee was started last year. Before that another committee was called the *Vocational Committee*. That Committee basically specialized in *Youth Services* and that is what they are now called. So some members think that today's *Vocational Committee* is that one.

For Rotary, The Four-Way Test is the cornerstone of all action. It has been for years, and it will be in the future. Of the things we think, say or do

ROTARY 4 WAY TEST

--- 1 ---

Is it the **TRUTH**?

--- 2 ---

Is it **FAIR** to all concerned?

--- 3 ---

Will it build **GOODWILL**
and
better **FRIENDSHIPS**?

--- 4 ---

Will it be **BENEFICIAL**
to all concerned?

As Rotarians, we should have The Four-Way Test in mind in every decision we make, all day long. Our utmost responsibility is to Speak The Truth, to Be Fair, to Build Goodwill and Better Friendships, and to do our very best in all situations.

4 Way Test was developed
in 1932 by
Herbert J. Taylor.

STRESS!

Yes, chocolate eyeballs, and vision were the themes of the day, as **President Ron** welcomed optometrist extraordinaire **ROD Lisa Galstian** at our meeting at the Braille Institute. Thank you to **Jay** and The Embassy Suites for their kind hospitality!

"No one ever injured their eyesight by looking at the bright side" certainly was **Lisa's** message as she shared with us tales of her fantastic family life, and gave us a LOOK into her and spouse **John's** thriving practice. This was preceded by the pledge and some thoughts about a starfish and an old guy, which went completely over this reporter's head!

Lisa was very generous to donate designer sunglasses, which **Frank McGrath** auctioned off as only he can, to highest bidder **Linda Stouffer**. **Linda**, apparently now a Senior Vice President at *Citizens Business Bank*, covered her winning bid with a check from *Wells Fargo*, which had this reporter scratching his bald head! *Anyway, thanks Lisa, Frank and Linda!*

Routine announcements morphed into **Brett Morey** suddenly appearing in a gigantic sombrero, apparently in order to hype the *upcoming weekend hands-on service project Casa de Paz*. Bus departure information, passports, t-shirts, passports, work assignments, passports, and lastly, passports were important, as reviewed by **Tony G.**, **Jim Davies**, and **Jim Frost** (of *Frost HardWOOD*, not hardware!). **Dave Weigman** re-captured the microphone long enough to beg for some *"spontaneous"* applause, but to no avail...

We welcomed our guests including, **John** a visiting Rotarian, **Embassy Suites Manager Tom Billings**, and **Brent's** Guest **Tom**, both of whom are on the path to membership. Finally, **Gloria**, **Sheila's** dear friend. (I hope I got those right!)

Frank McGrath, resplendent and articulate as always, re-appeared as Finemaster and began his schtick. We got to hear about **Jim Davies** dubious Marriot "appearance"; something about fowl on the golf course, and numerous High Fives.

President **Ron** apologized for the absence of our banners, but stated he hoped his new hair-do would help him with Presidential stress; *any opinions, members?*

Bill Keane took a brief sabbatical from his camera in order to introduce us to our speakers, **Lisbeth Garces**, Zumba Instructor and Executive Director of *Juan Carlos Organization*, and her associate, **Jackie**. **Lisbeth** told

us about the fantastic work she does teaching Zumba to children with special needs, and to adults with Parkinson's, muscular dystrophy, and to those who are wheel-chair bound!! **Lisbeth** shared her personal story of loss and recovery which was amazing and inspirational. **Jackie** helped **Lisbeth** set up her classes after being moved by **Lisbeth's** story and her dedication to her goals. The videos of her classes were especially moving and emotional. *Our club announced that we would be supporting Lisbeth and her organization.*

JoJo [Ito] showed up very with-child! *Congratulations, JoJo!*

President Ron's parting words only added to an amazing meeting and gave us all a boost for the weekend!

Rich Papike

was born in 1945 to a steel worker/hockey playing father and a Canadian hockey fan mother and raised during simpler times in the dusty back country of East County. It was a time of lots of buddies, little league, a red Schwinn bike, lots of laughs and braces on his teeth! Despite his amazing athletic prowess and scintillating personality, almost no dating occurred during those years.

After graduation from *Monte Vista High School* in the top 90% of the class (only 10% were below him), he attended *Grossmont JC* and then on to Cal on a baseball scholarship. While at *Grossmont*, he met a lovely young, innocent cheerleader named *Cheri* and a few years later, he was able to convince her to spend the rest of her life with him...47 years later, it seems to be working out. Soon after graduation, the young couple moved to *Albuquerque* where Rich continued his career selling *Colliers Encyclopedias* door to door prior to *Al Gore* inventing the internet.

Along the way they had two strapping young sons, Chris and Alex and ultimately moved back to *San Diego* to reunite with family and ultimately go into the staffing business in 1971. He and his partner soon bought the company and have owned the *Tristaff Group*, specializing in temporary staffing and executive search since 1972. Both Chris and Alex also work with Rich in the family business. Along the way, they have helped grow the family with 6 amazing grand children: *Keina, Luka, Zoe, Weston, Skylar* and *Macy*.

Rich spends most of his free time playing golf, baseball and talking about his feelings with *Cheri*. His baseball team, sponsored by *Berry's Sporting Goods*, has won the *World Series* in their age group for 12 out of the last 18 years.

He has been a proud member of the *LJGTR* for over 25 years.
