The world's most dynamic Rotary Club can be called that because it is filled with dynamic members. This week's program features five of them who are in the world of real estate: **Romik Kesian** as moderator, **Linda Andrews**, **Ellen Bryson**, **Sandra Rimer** and **Louis Scotti**. Each is in their own real estate specialty, and will answer a few basic questions as part of this panel:

- 1) How did you become involved in real estate?
- 2) Within San Diego County, what are the trends in your specialty over the next five years?
- 3) If you were given a million dollars to invest in real estate today, how would you use it?

Each panelists will have 5 minutes to summarize the entire industry! As the commercial voice on the panel, **Romik** will also act as moderator, and field questions from the floor.

For Rotary, The Four-Way Test is the cornerstone of all action. It has been for years, and it will be in the future. Of the things we think, say or do

ROTARY 4 WAY TEST

--- 1 ---

Is it the **TRUTH**?

--- 2 ---

Is it **FAIR** to all concerned?

--- 3 ---

Will it build **GOODWILL**
and
better **FRIENDSHIPS**?

--- 4 ---

Will it be **BENEFICIAL**
to all concerned?

As Rotarians, we should have The Four-Way Test in mind in every decision we make, all day long. Our utmost responsibility is to Speak The Truth, to Be Fair, to Build Goodwill and Better Friendships, and to do our very best in all situations.

4 Way Test was developed
in 1932 by
Herbert J. Taylor.

FROM THE SEPTEMBER 5 MEETING

SUPERHERO b y s u p e r h e r o

President Ron Kohl opened our meeting with comments regarding discrepancies in boy versus girl Rotary membership and turned on his own kind by suggesting Girl Power is what makes things happen.

Rotarian of the Day **Doctor Doctor Antonio Grillo - Lopez** passed the floor to **Rick Clark** who introduced a video of **Antonio**. In the video **Antonio** was pronounced a Superhero by Superhero **Christopher Reeves** in connection with **Antonio's** receipt of *Discovery Health Channel's Medical Honors Award*. **Antonio** pioneered the development of *Rituxan*, used to treat non-Hodgkin lymphoma. Most importantly, he streamlined the approval process with the FDA, cutting the typical 7-year process in half. Hundreds of thousands of cancer patients have been treated with *Rituxan* as a result of **Antonio's** efforts.

Bev Fritschner launched our announcements with the *2014 District Conference*: Friday-Sunday, October 24-27, 2014 in Palm Springs, CA. Next up, **Lara Gervais** about our Networking Event: Thursday, September 18, 2014 in Del Mar. Invite family, friends and business associates. Please RSVP with **Sheila Henry** shenry7@san.rr.com or Laara Gervais laaragervais@gmail.com. **Jaquie Reilly** is seeking a car to purchase for about \$3,000 for a friend in need. **Jim Davies** showed slides of the upcoming painting project at Casa de Paz Work Project: Saturday October 18, 2014 at Guadalupe Valle, Ensenada, B.C.

Foundation Chair **Brett Morey** exhorted us to leave behind our RINO ways (Rotarian In Name Only) and become elephants who take charge by contributing to *The Rotary Foundation*, by reaching our every Rotarian every year goal, and by contributing towards *Paul Harris Fellowships*. Speaking of, District Governor **Louise Andres** presented Paul Harris awards to **Antonio Grillo-Lopez**, **Bruce Geier**, and **Bonnie and Krishna Aurora**.

With sadness, **Romik Kesian** announced that charter member **John Stephan** was recently diagnosed with breast cancer. He underwent a mastectomy last month, but the cancer has spread to his lymph nodes. He is back in his home and would like to hear from his fellow Rotarians.

Fine Master **Mike Schwarz** was overwhelmed with High Fives, precluding time for any fines. Many of the High Fives continue to be related to **George Manschreck's** fishing skills and generosity.

Our speaker for the day was **John W. Haggerty**, SANDAG Division Director of Rail. The bulk of his presentation focused on the \$1.7 billion extension of the *Trolley Blue Line* to UTC, known as the Mid-Coast Corridor Transit Project. The initial authorization for this project occurred in 1988, and the expected completion date is 2019. The Blue Line will be extended from the station in Old Town, include a stop at UCSD, and terminate at the Westfield UTC mall. Details are available at www.sandag.org/midcoast.

Coming full circle, **President Ron** closed with another nod to Girl Power, ironically with a story of a wife on her knees.

DAVEDAVIS

Phil 'N The Blanks
&
THE CALIFORNIA
COGS BAND

Dave Davis was born in and lived the first 18 years of his life in the mysterious cosmopolitan city of Bakersfield, California. **Dave** is the second of three children (brother **Jeremy** and sister **Faith**) born to **Joe** and **Mary Davis** in the 1950's.

After graduating from *Bakersfield High School* (go Drillers) in 1973, **Dave** relocated to San Diego to attend *San Diego State University* (go Aztecs) where he joined *Sigma Alpha Epsilon* fraternity and helped establish a *Chapter of Rho Epsilon*, the academic real estate fraternity. While in college, he became a licensed California Real Estate Salesman in 1976 at age 20.

After graduating from SDSU in 1977 with a Bachelor of Science degree in Business Administration with an emphasis in Real Estate, he began working for *Union Bank* as an appraiser in their major construction loan depart-

ment. At age 22, he became a California licensed Real Estate Broker.

After a lateral move to *Wells Fargo Bank* in 1983, Dave earned his MAI designation from the *American Institute of Real Estate Appraisers*, (No. 6892 since the Institute was established in 1930). A 1.5-year stint with a small real estate development and syndication firm followed where he oversaw acquisitions, construction, leasing and property management.

Dave founded *D.F. Davis Real Estate, Inc.* in 1986 and has been an independent appraiser and consultant for the past 28 years. **Dave** has three children from his first marriage and one granddaughter. His 2009 second marriage to wife **Susan** results in his family growing with two stepsons and a grandson. The final two of the five children who were still in college graduated earlier this year!

Dave's hobbies are music, travel and exercise including working out, walking and basketball. His rock band, *Phil 'N The Blanks*, plays classic rock music and **Dave**, along with Rotarians **Dennis Bucko**, **Ron Kohl**, **John Hawkins** (Rancho Bernardo Rotary Club), **Rebecca Newlin** (Rotary Club of Camp Pendleton) comprise, *The California Cogs Rotary Band* with former professional musician **Joyce McHugh** and former LJGT Rotary Club member **Scott Wood**. *The Cogs* are **Dave's** ongoing Rotary Project. To date, *The Cogs* have raised \$5,670 for Rotary and other organizations.
