For Rotary, The Four-Way Test is the cornerstone of all action. It has been for years, and it will be in the future. Of the things we think, say or do

## ROTARY 4 WAY TEST

--- 1 ---

Is it the **TRUTH**?

--- 2 ---

Is it **FAIR** to all concerned?

--- 3 ---

Will it build **GOODWILL**  
and  
better **FRIENDSHIPS**?

--- 4 ---

Will it be **BENEFICIAL**  
to all concerned?

As Rotarians, we should have The Four-Way Test in mind in every decision we make, all day long. Our utmost responsibility is to Speak The Truth, to Be Fair, to Build Goodwill and Better Friendships, and to do our very best in all situations.

4 Way Test was developed  
in 1932 by  
**Herbert J. Taylor.**

## PASSED

Since this is New Generations month, **President Ron Kohl** introduced the President of Rotaract at USD who is studying to be a doctor. She has been president of many groups and said that *Rotary* has changed her life.

Our *Rotarian of the Day* was **Dave Davis**. **Dave** is a member of the *Band California Cogs* which has played for our Club many times. When they play at other organizations, they donate the funds to *Rotary*. They have given our Club \$4,195 and other organizations \$1475 for a grand total of \$5,670.

**Jennifer Schaeffer** introduced guests. **Brett** brought his son who definitely looks like him. **Alex Monroe** brought **Kristen Shephard**, an tax attorney whose father is a *Rotarian* in *Fresno*. **Dory** announced that 13 people have offered shelter to *Rotarians* who might be evacuated in case of a possible fire. She requested that all *Rotarians* not to bring a boa constrictor to their host's home.

**Dave Wiegman** probably narrowly escaped being fined because although he gave a great presentation on our *Service Project in Ensenada*, he forgot the fliers at home. Instead he was trying to boost his real estate business with fliers. He will probably be forgiven because he made the project sound like so much fun with lots of parties and wine. Talking about food **Irv Rubenstein** invited everyone to the *International Cafe* held the first *Friday* in October. Participants will serve food (**Irv** didn't specify whether volunteers would also get to eat.) and meet students.

**Brett** gave **Mike Bardin** a **Paul Harris** certificate for donating \$1000 a year. **Ron** bade **Bonnie & Krishna Arora** a safe farewell as they continue their journey. This time they are not collecting money for donations. **Pete Griffith**, our *Protection Officer*, said that everyone dealing with children had to go through a screening process for the protection of the children at our events and actually, also the *Rotarians* interacting with the children.

**Mike Schwartz** was inundated with **High Fives**: **Emidio DelConte** got **Meg** to agree to fly again. (It takes courage or something after that last accident.) and they are off on a new wonderful trip. **George Mannschreck** celebrated his last golf tournament where he won the *Grand Prize*. **Eric Mjoen** congratulated **George** on his fishing and thanked him for the fish he shared.

**Louise Andres** didn't turn off her phone at a meeting and got a small fine but figured it saved her a larger fine at a different meeting. **Krishna Arora** was married for 42 years to **Bonnie**. **Bill Keane** said he sold all of the photography books and had the donation for our club. **Pamela Russell**—toasted **Dave Tansey** for being 80 years old.

**Sara Hogue**—sat in her broken down car after last week's meeting and was passed by numerous members leaving who did not stop to help, thanked **Brett** who did stop and ended up introducing her to his friend who saved \$1000 for her repair.

However **Mike** did get in a few fines. **Alex Monroe** fined \$2 for no pin, **Bill Keane** \$2 for an interview on KOGO where he didn't mention *Rotary*, and **Frank McGrath** \$2 for wearing unspeakably red trousers.

**Bill Keane** introduced our speakers. **Romik Kesian** was the moderator. He promptly took up most of the time educating us on the *Commercial Real Estate* investment we should make. The remaining 5 minutes were divided equally between our panel members, **Linda Andrews**, **Ellen Bryson**, **Louis Scotti** and **Sandi Rimer**.

**President Ron** ended with a dirty joke about a guy who fell in the dirt.

### UCSD INTERNATIONAL CAFÉ

International Center,  
UCSD Campus

11:30 AM – 1:30 PM

FRIDAY 3 October 2014

The International Café at the UCSD International Center provides a lunch/program to students nearly every Friday during the school year. Over 200 students usually come.

Our LJGT Rotary sponsors one event each year as part of our support for our UCSD Rotaract Club. The Rotaract Club uses the event to tell students about their club and to recruit new members. LJGT Rotary volunteers (5-6) will help by serving lunch and then have lunch with the students.

# GEORGE MANNSCHRECK

### BORN:

Roaring 20's

### ACTIVE:

WWII Navy Air Corps

### WORKED:

Pasadena City controllers department 2 years

### WITNESSED:

Great Depression

### APPRECIATED:

G.I. Bill education

### ENJOYED:

34 years *Pasadena Federal Savings & Loan Association*. Started at the top as controller, worked my way down thru branch administration, personnel director, executive officer, corporate secretary and member of the Board of Directors.

Early in my introverted accounting career I was encouraged to participate in community and industry organizations. Never one to sit quietly and just be a spectator and member of anything, I served on boards, chaired and presided over dozens of organizations. *Jr. & Sr. Chamber of Commerce, YMCA, PIRA, Simsa, Controllers Society, S & L Institute, School Board and City Board* and City special task forces, *Tournament of Roses Association*, joined *Rotary* 1956, President 1968-69.

Retired from everything but *Rotary* in 1985. Now I am a **fisherman, golfer** and **spectator** member of the most dynamic *Rotary* club.
