For Rotary, The Four-Way Test is the cornerstone of all action. It has been for years, and it will be in the future. Of the things we think, say or do

ROTARY 4 WAY TEST

--- 1 ---
Is it the **TRUTH**?

--- 2 ---
Is it **FAIR** to all concerned?

--- 3 ---
Will it build **GOODWILL**
and
better **FRIENDSHIPS**?

--- 4 ---
Will it be **BENEFICIAL**
to all concerned?

As Rotarians, we should have The Four-Way Test in mind in every decision we make, all day long. Our utmost responsibility is to Speak The Truth, to Be Fair, to Build Goodwill and Better Friendships, and to do our very best in all situations.

4 Way Test was developed
in 1932 by
Herbert J. Taylor.

Report

FROM THE SEPTEMBER 19 MEETING

Jay R. Hatfield
Reporter

President **Ron Kohl** started the meeting promptly as we all recited the 4 Way Test. (Our call as Rotarians for Morale Excellence.)

Rotarian of the Day was birthday boy, **George Mannschreck**. He started with acknowledging all the great Rotarians in our Club and a moment of silence for those who have passed. He thanked all the taxpayers for a wonderful life. He said since he was one of the tallest guys in his military service, they made him a leader. Leaders, he found did the least amount of work, and leadership is what he did his whole life. He got to see most of the world and says it has been a good life.

We then were entertained by another fabulous **Rick Clark** produced video "The Life of George Mannschreck" with the background music of "Memory" It featured a pictorial of a very young **George** up to modern day. It featured among many things, a barn his Norwegian grandfather built. **George** helped start our Club in 1986 and is a founding Member. He was our first bulletin editor, as well as the first Chairman of the *Polio Plus* campaign. He mentioned that our Club is one of the top Clubs in the world when it comes to *Polio Plus* support.

After his presentation, he received a well-deserved standing ovation from the entire Club. **Lori Bende**, Family of Rotary Chair, along with her twin helpers, **Ronald** and **Rhoda**, presented **George** with a birthday lei and a cupcake cake. After, **Ronald & Rhoda** started us out in a rousing rendition of Happy Birthday; **George** made a wish and blew out his candles. He lamented that he is giving up golf, but wore his snazzy golf pants anyway.

Rick Binder introduced our visiting Rotarians: **Gordon Shurtleff**: Torrey Pines
Tom Goodman: La Jolla Sunrise
Alan Wasser: Club 33

Bret introduced **Tom Stocking** of TCI. He is checking out our Club for possible membership.

Lori Bende officially introduced her 7 year old twins **Ronald & Rhoda**, and her 3rd child, husband, Joost.

Fary introduced her friend **Mary Johns**.

President Ron thanked **Sheila Henry & Laara Gervais** for coordinating a wonderful networking event last night. He thanked our hosts **Steve Brown**, **Fary Moini**, and **Bill Keane**. **Ron** gave a big thank you to **Linda Stouffer** and **Citizens Business Bank** for sponsoring the event.

Due to some controversy from those who don't believe in immunizations, article was not going to be published. **Jan Percival** was able to get article published and nominated them for Courage in Journalism award through the San Diego Press Club.

HIGH 5'S:

Roger Drexler has his 47th wedding anniversary this week. Hoping **Jill** won't finally see the light and file for divorce.

Bret Morey:

He bet **Gordon Shurtleff** at PETS \$100 that we would get more members last year. He begrudgingly gave **Gordon** a \$100 check. **Gordon**, last year's Rotarian Torch Award winner, kindly made a \$50 donation to our Club. **Dave Davis** added that **Gordon** hired the Cogs to play for his Club.

Jim Davies:

Although **Eric Mjoen** wore his Seattle Seahawks jersey last week (I forget, who won that game? Oh yea, THE CHARGERS!!!) He brewed a special beer for **George's** 90th anniversary of life called "The Mannschreckner".

Dave Wiegman:

For **George's** fish and golf skills. **George** was beating **Dave** handily through 6 holes of golf.

Laara Gervais introduced our speaker, **Alan Mindell** with his program "Life Begins at Seventy." **Alan** grabbed his ball and glove, saying it was his security blanket and said he now offers free knuckle ball lessons. He commended our Club for being inspirational & motivational.

In his 20s, he was a centerfielder in college and could run fast and steal bases. His coaches gave him the moniker "Motorbutt" At age 71 his "Motorbutt" mojo came back, and he went on to win gold medals in the 50,100,200, and 400 meter track events at the San Diego Senior Olympics. This year at San Marcos, he ran the fastest top 10 in the world for his age class in the 400 meter.

He published a novel a year ago called "The Closer" It is a baseball story as well as a love story. It is based on a personal memory back in college when his team was tied 0-0 with USC in the 10th inning. Bases loaded, two out, he has dreamed about this day as he heads to the plate, but ultimately strikes out. USC went on to hit a homerun the next inning and win 1-0.

He read an excerpt from the book and left our Club hanging... To see how it turns out you have to get copy of his book. It is available in the library, on Kindle, or he was selling autographed copies for a discounted price of \$10. He will make a 25% donation to Club on every book sold today.

What he has learned in his 70+ years:
We should never give up. Good things can and Do happen

Pros

He wants to be active, stay active, and have fun.

Cons

Risk of injury is higher the older you get and it takes longer to recover.

When not running, writing, or teaching knuckle ball lessons, he is the founder and active partner in a senior tour company that he has owned for 40+ years.

Ron's closing announcements

We received \$6,000 for refurbishment of the boy's dorms in Mexico through a District grant.

Ron ended the meeting with a classic senior flatulence joke. Ah the indignity, right **George**?
