**ROTARIAN
 OF THE DAY**

Jim Frost

I was born in San Diego, the youngest of five kids, whose roots arrived in San Diego in the late 1800's. Growing up in the Point Loma area and whose family were active members of the San Diego Yacht Club, I was introduced to sailing and tennis. While in Point Loma High, I played on the Point Loma High tennis team and won the 110 Nationals sailing regatta in Ocean City New Jersey 1974. I still participate in those sports, along with skiing, scuba diving, and occasional surfing. My love of scuba diving has taken our family to many exotic waters, such as Grand Caymans, Fiji, Cook Islands, Great Barrier Reef and annually on the family boat "Yacht Helen" to Catalina Island.

I graduated in 1978 from University of Oregon (GO DUCKS!!!) with a BS in business management and was active in the SAE (Sigma Alpha Epsilon) fraternity from 1975-78. I married my college sweetheart, Kim Kellum, in 1979 and we moved to Utah to start our careers. I spent two years working at Weyerhaeuser in the wood products business and Kim with US Forest Service in recreation. During the winter months, Kim worked at Snowbird tickets, which allowed me to get a \$5.00 season pass.

With a job offer from my father at the family lumber yard, we moved to Memphis TN to attend Lumber grading school before we moved to San Diego. We returned to San Diego in 1981 and have lived in Encinitas for the last 29 years. We have three children: Nick, 32 (graduated from the University of Washington), Ryan, 29, (graduated from Northern Arizona University) and Kayla, 23, who is now living at home in order to attend school to get her degree in physical therapy.

Currently, I am President/General Manager of the family lumber business. We are 105 years old. Last year we received the Centurion Award and being honored as one of the top 25 of San Diego's oldest businesses. My cousin Gordon (GT - a Rotary Club 33 member) and Byram my nephew are also involved in the family business. I am past president of the San Diego Lumberman's Club, Pacific Coast Wholesale Hardwood Distributors Association and served on the board of San Diegiuito Tennis Club.

My middle son Ryan, is set to be married next month to his college sweetheart, and our oldest son's wife recently had Adelaide our number two grandkid...life is good.

I joined Rotary in 2004 and it has been a good 12 year run. I really enjoy giving back to the community and have been a team captain in many of the local military projects as well as Mexico. I really have great respect for this group of individuals for all the good you have done at home and abroad and look forward to serving the club in the future.
