HERITAGE ARCHITECTURE

Architect David Marshall is President of the highly respected preservation firm of Heritage Architecture & Planning. David's firm specializes in the restoration and adaptive reuse of historic structures. He has worked on many significant buildings, including the House of Hospitality in Balboa Park, the Western Metal Supply Company building at PETCO Park, and the Balboa Theatre. David graduated from Cal Poly Pomona and joined Heritage in 1990.

David is past President of the Save Our Heritage Organisation (SOHO), was on the City of San Diego Historical Resources Board from 2002 to 2008 and is currently a Trustee for the California Preservation Foundation. David is an avid collector of historic San Diego postcards and ephemera, especially items related to Balboa Park. In 2007 he authored the postcard history book San Diego's Balboa Park for Arcadia Publishing. David has lived in San Diego County since 1967 and currently resides in La Mesa with his wife and son.

THE FOUR-WAY TEST

OF THE THINGS WE
THINK, SAY OR DO

1 | Is it the
TRUTH?

2 | Is it FAIR
to all
Concerned?

3 | Will it build
GOODWILL
and BETTER
FRIENDSHIPS?

4 | Will it be
BENEFICIAL
to all
concerned?

GAME OF DRONES

"Into our World cometh a DRONE!

To which one can apparently PHONE!

They do hover about

Scary, no doubt.

From the future they are no longer on LOAN!"

To tables full of guests, Rotarians, and DRONES, **President Bev** welcomed us to the Embassy Suites, Leg II of our destination journey. We welcomed **George** back to a S.O.! FISH was promised for the Rotary Bonfire III! **Kathleen R.-T.**, our ROD, offered a peaceful moment, the Pledge, and an elegant peek into Rotary Fellowships, Taiwan's Tea Farms, sister cities, and the wonderful care that pneumonia-stricken spouse **David** received at the hands of Rotarians and strangers! What a delightful story, as **David** is thankfully fully recovered!

I think **Tom** welcomed somebody, but this reporter was distracted by the bright color of his shirt! **Lee Ann Cusick** was re-membered, in a very complex relationship that involved **Pam**, **Linda**, and **Jacquie**, and perhaps a DRONE! Assistant Manager **Brittany** of The Embassy Suites gave us a warm welcome. A representative from UCSD International House gave us directions. We are indeed in demand, fellow-Rotarians!

Bev gave us valuable scripting, hopefully to be repeated, to better describe to others what Rotary is!

Fire Marshall Rick Binder, a Man without S'Mores, and resident FFF, announced "Bonfire II", for this Sunday, same time, same place. **Jacquie**, **Bonnie**, and **Krishna** demonstrated their latest Hip-Hop moves to **Louise's** Rap in thanking them for housing the contestants at the last minute! **Pam Russell** was presented by **Louise**, the Citation for Meritorious Service to the Rotary Foundation for leading the way for granting and organizing. Another S.O.! **Alex** announced a career change, in the same sentence as he also announced the Community Service Committee meeting today, of which this Reporter is an outstanding member! Good luck, **Alex**!! Apparently, **Jacquie** and **Linda** are surfer's wax suppliers to **Brett**; are they USERS, too? **Pete** showed a slide of himself in a 1998 fish-lifting contest; **Rich** (Say it isn't so, **Rich**!) **Papike** announced he made it to 70 years old by never texting "I love you" by surprise, to

his bride, **Cherrie**; **David C.** announced proudly, that he would be working LESS, because his spouse, would be working MORE! Huh, **David**? Our beloved **AJ**, apparently in an audition for The New Blond on FOX TV, did an interview in the wake of the terrible fire on Miramar Road, next door to his establishment! Luck, and great firepersons saved the day, thankfully! I think Will wanted someone to listen to his jokes, and his reknown stand-up repartee for free, it was not clear.

Darryl Anunciado and his company, Action Drones USA, illuminated us about drones, both the positive and negative concerns that we all share. We were treated to our first Field Trip, out to the lobby for a drone demonstration!. The future is here for most, and has way passed me by!

Yours,
Reporter Denny
