GARY KRAHN

Gary Krahn is a graduate of the US Military Academy at West Point and served for over 29 years on active duty before retiring in the grade of Brigadier General. A significant part of his military career was as a mathematician, educator and problem solver; culminating as the Professor and Head of the Department of Mathematical Sciences at West Point. His Ph.D. is in applied mathematics and his areas of research include cryptography, leadership, and learning. Gary redesigned the mathematics program at West Point and consulted with Universities

and Colleges to emphasize appropriate problem solving and reasoning in curriculum design.

Gary has been an invited speaker at the National Academy of Sciences, National Science Foundation, the Mathematics Association of America, and at numerous Universities around the world. In 2004, Gary deployed to Afghanistan to establish and build the 18th University in Afghanistan; hiring the initial 51 Afghan faculty members and shaping the curriculum.

Gary's focus is on gently guiding students to become leaders of character who can anticipate and respond effectively to the uncertainties and opportunities of a rapidly changing technological, social, political, and economic world. He strongly believes that K-12 education will be the significant ingredient for the future success of our nation.

On July 1, 2015, Gary became the Head of La Jolla Country Day School.

With your help we can make a difference!

NOBEL PARK AND RECREATION FIELD
8810 Judicial Drive, San Diego
CA 92122

Our Rotarian of the Day was **Lori Bende**. She brought the whole clan and was offering Girl Scout Cookies at a friends and family discount of: retail price. Still worth it. They'll be back next week, so get your Thin Mints here!

On a more somber note, **Debbie Galtut** passed away. We are sorry to see her go, but are glad to have had her in our lives.

Marty Rosenstein was, unfortunately, unable to continue on as President Elect for 2016-2017. But the Club has gotten very lucky in that **Antonio Grillo-Lopez** has agreed to serve as Club President for 2016-2017! **Pete Griffith** moved that **Antonio** be so elected. **Dory Beatrice** seconded that motion. And **Antonio Grillo-Lopez** was so elected by unanimous voice vote and standing ovation!

Erik Mjoen brought his whole clan of unruly Vikings so that his youngest daughter could be presented with her red badge.

Fary Moini presented us with a banner from the Guney Rotary Club in Turkey after returning from her most recent trip to Afghanistan.

Ron Kohl presented, **Paul Harris** Fellowships to **Anna Sample**, who only recently joined the club but has gotten off to a great start! **Ron** also told us that 75% of club has contributed to Rotary Foundation this year. If you are one of the 25% who hasn't, come on down!

Alex Monroe asked us to remember the fundraiser April 23 from 12:30pm to 5:30pm. You can buy 5 tickets (\$150 total) or bring in a corporate sponsorship (min \$500, but that's actually less because it's somebody else's money!) Remember that the target audience for the sponsorships is service oriented companies, people you see regularly (Bank, hairstylist, restaurants, etc.) **Alex** even gave us a sponsorship packet with a script to follow. It's super easy: "We're advertising the event so it makes a sponsorship worthwhile!"

Linda Stouffer and **Dennis**

Jacobs announced the road rally. There were people with curly hair, and now they don't have curly hair anymore but **Denny** is still bald. It was very confusing. Something something Road Rally.

Lisa Galstian announced we will have a wine raffle next week from the private reserve of **Eric Freeberg**. "Friends don't let friend's wine alone."

Our Speaker was **Marty Martins**, who is a former prosecutor who looks exactly like you'd think a former prosecutor would look. He told a lot of great stories debunking Hollywood myths about law enforcement. But for the minutes we'll condense it down to the five phrases you actually need to know:

- "I have nothing to say."
- "Am I free to go?"
- "No, I do not consent to a search."
- "I will not take the breathalyzer."
- "I want a lawyer."

Happy Groundhog's Day!

**JAY
HATFIELD**

Jay Hatfield was born Anaheim, California. After spending the first six years of his life in Orange County, his family migrated north to Sandy, Oregon, a little town located at the base of Mt. Hood. His formative years were spent living in a log house on the shores of the Sandy River.

Jay earned his Bachelor's Degree in International Business/Economics at California State University, Stanislaus. He spent a year at the University of Copenhagen in Denmark, which gave him the opportunity to travel throughout Europe. He also holds a certificate in Fundraising & Development from UCSD.

In **Jay's** early career, he was a Fitness Instructor, Personal Trainer, Spa Director and Health & Fitness Manager at several establishments in Southern California. He spent 7 years working at The Betty Ford Center in Rancho Mirage, and served on the Board of the Governor' Council on Physical Fitness and Sports.

He changed careers in 1990 and joined the Braille Institute in Rancho Mirage as the Assistant Regional Director. He became the Regional Director two years later and married his wife of 24 years, **Sheila**. They have three children: **Heather** 22, **Houston** 21, and **Hallyn** 18. They also have a grandson **Caden**, who is 3.

Jay & family moved to San Diego in 1998 as a new Braille Institute Center in UTC was being built. He has been a Rotarian for 22 years, joining the Rancho Mirage Rotary Club in 1994 and the La Jolla Golden Triangle Rotary Club in 1998. He is a former Board Member and Past President (2007/08) of **The Most Dynamic Rotary Club in the World!**
