THE FOUR WAY TEST

OF THE THINGS WE
THINK, SAY OR DO

01

IS IT
THE TRUTH?

02

IS IT
FAIR TO ALL
CONCERNED?

03

WILL IT
BUILD GOODWILL
AND BETTER
FRIENDSHIPS?

04

WILL IT BE
BENEFICIAL

CONCERNED?

WHAT A DAY!

We celebrated Day of the Woman with a new member ceremony, a Ted Talk from a 16-year-old, a double-birthday self-serenade, and a 63rd wedding anniversary! ROD Erik Mjoen led us in introspection, the pledge, and on His Journey through his his own "happy life"! Joined by much of his family, Anne, Lilyestrant, Mom Margaret, and Step-Dad Bjorn, Erik took us through his wonderful steps to his amazing family and career. He clearly explained the difference between his "old", "new-old", "old-new", and "new-new" jobs.! He is currently at UCSD, a navigator for employers for prospective employees in the careers of tech and engineering. We learned that the Triton Alliance is not the Haliciaglu Data Science; and that this is great time to be an engineering student! Erik is very enthusiastic and knowledgeable about his responsibilities, and it really showed in his presentation. Thank you, Erik!

Mr. Mike Slenz introduced our guests: Zachary Colombo was investigating us for potential membership; Jacques Dunwslid, friend of Melanie, and Erik's wonderful family. Margaret stood and gave heartfelt thanks to Rotarian Jay Hatfield and the Braille Institute for their wonderful assistance to Bjorn,

and the family. From UCSD, our people Joe Villarreal, Bradley, Eden, and Xochil.

The announcements rolled like a freight train! Charlie, the VA Man on Wednesday the 13th at 4:30; Rick Clark "Good Morning!" us with driving directions for Camp Pendleton on the 16th; Xochil talking up the May Project; Krishna, the Oasis Grand Opening Cog Party on the 30th, the Eden-Bradley team talking WAPI, that event on the 10th; Sheila announced our successful large contribution to Paws Without Walls fund; dogs love us, thank you, Sheila!

Brett gave a rousing send-off to the Road Rally teams and participants!

A unique and splendid rendition of "Happy Birthday" was played by Reporter and Birthday Boy Denny. Our club sang right along. Newest Member Melanie was brought to the club by recent President and third-degree blackbelt, Rick Binder, and commemorated with the lovely words of Jacquie. Welcome, Melanie!

Antonio gave us an inspiring overview of how ours, and other, Rotary Clubs helped Puerto Rico, including the actual receipts! Our thoughts and prayers are with

Bill Keane, and Dory and Pete. High fives emanated from: Steve for Dennis Bucko's present questionable work status; Alex for Jacquie, helping him move; Lori, for her and Joost being "scout-free" for the upcoming Toad Rally-Oops, I mean Road Rally; Bonnie for her grand daughter starring in "Alice in Wonderland"; Brett, for His Lucky Life; Irwin for 63 years of wedded bliss Rich's two-dollar Masterpiece went to the fine to Bonnie and Krishna for just being "A Cowboy and an Indian!"; Nancy's hat; and to Jacquie for believing Fary is from Iowa!

Our Ted Talk for a Happy Life according to Sam, was truly another inspiration.! Sam gave us Four Important (4) steps, the last of which was NEVER MISS A PARTY! Wisdom from a sixteen-year-Old!

Fary cautiously joined Rick at the podium, for the reading of some two-liners; doing a unique version of Burns and Allen, they finished with a whimper, but with racing thoughts planted of what is to come!

Denny Jacobs

Since the last time I was Rotarian of the day, I've had a couple of job changes. I left Innova Systems International where I had worked for about 13 years. I was looking to make a change and get some new experiences. I took a new job with a company that makes banking software for credit unions. I left there to go to work at Microsoft as a consultant in the Public Sector Services team building application software for federal agencies and the DoD. I'm traveling a lot more, but I'm having fun and can still make it to Rotary every week. I'm excited to have more variety in my job as I move from project to project.

My family is doing great. My daughter **Isabelle** is going to start high school next year and is into theatre and playing tennis. She's likes sci-fi and superhero movies. My wife is doing work as a nutritionist, photographer and keeping up with **Isabelle**. We're all looking forward to taking a trip to Ireland and Scotland this summer. With the job changes of the last year or two, we haven't been able to travel much, so we are really looking forward to going on a vacation.
