ROTARY FOUNDATION ANNUAL MEETING OF MEMBERS

At the regular meeting of our Club, our Foundation will hold its annual meeting of the Members of the Foundation on May 31st in order to reelect **Alex Monroe, Linda Stouffer Wallis** and **Luke Ervin** as Directors.

MAY
31
2019

ROTARIAN OF THE DAY

Our Rotarian of the Day was **Marty Rosenstein**. Marty has been in Rotary for 44 years and has in recent years been most active in Youth activities. He was one of the founders of the District 5340 Rotary Model UN program, has served as mentor to the Preuss Interact Club and UCSD Rotaract Club, and served as District 5340 Interact Chair. He brought from his previous club in New Jersey both the Student of the Month and Earlyact programs to LJGTRC. This year he helped start an Earlyact Club at San Diego Cooperative Charter School with the aid of Principal **Sarah Saluto**, and another club at Spreckels Elementary School. The students have been taught how the foundations of Rotary apply to their lives, and have had multiple successful projects. On the horizon are Pre K clubs and ultimately an in utero club

STUDENT OF THE MONTH

Marty introduced our Student of the Month for May, **Angelina Gunn** who was accompanied by her father **David Gunn**, Advisory teacher **Danielle Agliam** and Counsellor **Erin Patrick**. **Angelina** told us her story about dealing with depression and anger for many years and how it held her back in school and other aspects of life until she realized what was happening and has done much to improve the situation. She has improved her grades, is a captain of the girl's soccer team and is the first member of her family who will be attending a four year college. In September, **Angelina** will attend UCSan Marcos where she will

begin study to prepare her for a life in the psychology field. Our audience was deeply moved by **Angelina's** presentation and gave her a standing ovation.

ROTARACTORS

Daniel and **Sophia** attended from USD Rotaract, and **Eden** and **Bradley** attended from UCSD Rotaract. **Eden** has been accepted to Medical School in Hawaii. We will miss her, but wish her luck in the future.

NEWEST ROTARIAN

Alex Nowacki was installed as the newest "blue badge" in our club. Congratulations **Alex**. We expect big things from you.

PROGRAM-EDUCATOR OF THE YEAR

In keeping with Teacher Recognition Month, **Bill Busch** and **Dave Wiegman** presented our 2019 Educator of the Year Awards to 3 teachers from local schools. The awards came with a \$500 stipend. This year, all 3 recipients taught in the Arts.

Wendy Clemente is a music teacher at La Jolla Country Day School. She was accompanied by her husband Ron, her 2 children, Assistant Head of Education **Colleen O'Boyle** and **Cindy Bravo**. **Wendy** received her BA at Newboldt College in the UK and graduate degree at Boston College. She has been at La Jolla Country Day School for 26 years. She had already chosen her life's work as a young child. She encouraged letting children sing as a means of empowerment. **Wendy** paid tribute to

her music teachers by name and strongly promoted music education. **Tamima Noorzay** is a fine arts teacher at Preuss School UCSD. She was accompanied by Principal **Scott Barton**, as well as Preuss teachers and administrators **Anne Artz**, **David Weber**, **Stephanie Garcia**, **Krista Bartlett** and **Dan Rupert**. She received her BA at UCSD and graduate degree from National University. **Tamima** is the child of immigrants having grown up in Afghanistan. She learned from her grandmother that every person (student) matters as we are in a shared human experience. She feels that art allows students to share their rich cultures, while at the same time developing a wider worldly perspective.

Gimmy McCarthy has been a teacher of ceramics and design at University City High School for the past 23 years. He is also a running coach at the school. He is accompanied by his parents **Teresa** and **Steve Ross**. **Gimmy** received his degree in architecture from Cal Poly San Luis Obispo where he spent his fifth year studying in Florence. He returned to Italy for further post graduate study in Rome as a Rotary Scholar. His goal is to have kids "create like an artist and build like an architect." Art allows kids to expand while architecture keeps them grounded. **Gimmy** is part of the Arts Tech Academy. Congratulations to our recipients and thank you to **Irwin Rubenstein** for bringing this great program from St. Paul Rotary.

President Rick concluded this very busy meeting.

RICH

P A P I K E

Rich was born in 1945 in San Diego. His dad was a center for the San Diego Rowing Club, the first professional hockey team in San Diego. His mom was a Canadian on vacation in what would become America's finest city when she heard there was a hockey game one night. She attended with her girlfriend, met my dad and the rest is history.

They moved to East County in 1955 and young son Rich-ard became involved in baseball, buddies and growing up. Those were bitchen times! After Monte Vista, Grossmont Jr College (The Harvard of the west) and Cal, he met and married the cute cheerleader, Cheri and they had 2 amazing sons, Chris and Alex who proceeded to bring them joy and occasional challenges. Many perfect grandchildren followed and they are all on the road to happiness. The oldest grandson, Luka will be getting married in October.

Rich has been in the staffing business with the same partner for 48 years and is still having as blast. He still enjoys baseball, golf, training sales people and laughing. He still has no ability to eat watermelon or liver.

He has been a proud member of the LJGTR for the last 30 years.
