CHRIS STEWART

HOW WE WILL RECONNECT INTERACT CLUBS POST COVID

Mr. Stewart will provide stories of how interact has impacted our district , our region , our country and the world from CA to WA from New Orleans to Australia. We are all United

Chris Stewart is one of the most sought after substance abuse and mental health public speakers in the country. He is a substance abuse counselor , best selling author of Prayers. Punk Rock and Pastry and has been on youth service committee at his club The Del Mar RC for the last 5 years. Chris participates in RYLA and sits on the board for Lead camp as well. Chris is currently the Interact Chairman for district 5340 and travels the country working with other Rotary youth services helping them start different programs including his Rotarian business scholarship fund and is also making a name for himself in the NFL as the New Orlean Saints Santa Claus

REPORT

from the last meeting

THE FOUR WAY TEST

OF THE THINGS WE
THINK, SAY OR DO

01

IS IT
THE TRUTH?

President **Jacque Reilly** called the meeting to order and welcomed everyone to our most dynamic Club. The program was hosted by our two Model UN representatives, **Erik Mjoen and Chris Muhart.**

After President Jacquie led the pledge, Erik had a moment silence for all those effected and displaced by war (Ukraine) and global warming.

Erik and Chris, who are active in facilitating this wonderful program, introduced the participants and the countries they represented. The Rotary Model United Nations (MUN) inspires high school kids from all over the world to solve real world problems. This Rotary program was founded by our own **Dory Beatrice and Marty Rosenstein** for District 5340. This program dovetails very well with our

Pathways to Peace initiative by engaging students in order to resolve conflicts and give the kids critical tools to become peace builders and community leaders. The Topics were Climate Change and the Participants were Alex Radulescu and David Deutsch(University HS), Kathy Tran and Ni Ni Tran(Preuss), Nicole Nguyen and Anali Centeno (Pruess).

Since our speaker did not show up, President Jacquie shared a video of Robin Willaims top 10 most memorable moments in honor of **Denny Jacobs.** Robin Williams was an idol of our beloved, Denny Jacobs, and inspired him to make light of all situations. What a great guy Denny was, and his humor will live in our hearts forever.

Member Ranjan presented **Steven Tako** his Blue badge and we all applauded his service to the Club.

Ranjan commented that everyone will always look up to him and he was very sincere in saying that we all want to make a difference and matter since we are only on this earth for a limited time. Congratulations Steven! You are a big asset and do matter to our Club!

President Jacquie closed the meeting with a few comments about a book she was reading. Ed Lloyd started out as a coffee house/merchant in the 1600s near the River Thames, which became a watering hole to the Steam Ship crews when they arrived in port. As world trade routes expanded, Ed Lloyds business eventually grew into Lloyds of London, an insurance company known around the world today.

THE FOUR WAY TEST

OF THE THINGS WE THINK, SAY OR DO

2022 RESOLUTION #1 Climate Change: Addressing the Climate Refugee Crisis

Excerpt of Resolution Preamble:

- *Deeply concerned* that climate change has a significant and growing impact on most Member States,
- *Acknowledging* that climate change disproportionately impacts lower income Member States,
- *Emphasizing* that higher income Member States contribute significantly to climate change through the release of hydrocarbons and other environmentally damaging substances into the atmosphere,
- *Appreciating* that many developing Member States, to develop and support their economies, are dependent on low-cost, carbon-based fuels and environmentally destructive mining,

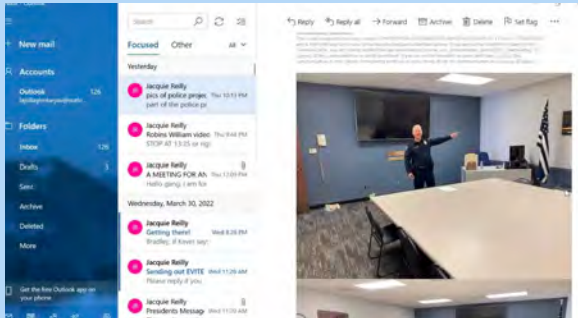

01

IS IT THE TRUTH?

02

IS IT FAIR TO ALL CONCERNED?

03

WILL IT BUILD GOODWILL AND BETTER FRIENDSHIPS?

THE BASICS ABOUT MUN?

- MUN: Model United Nations; a "mock" UN General Assembly for high school students to discuss and negotiate real world issues.
- Originally founded for District 5340 by Dory Beatrice & Marty Rosenstein and was the 1st district to have an MUN program in the USA.
- Students represent an assigned country and prepare, present, and debate this country's position on UN resolutions tackling complex current world issues.
- Students and advisors prepare for 3 months leading up conference starting with student and advisor training session.
- Directly fits into Rotary's Pathway to Peace

ROTARIAN
 OF THE DAY

DIANNE DAY

I am one of the more “senior” members of the Most Dynamic Rotary Club of the World joining in 1988 when I was among a handful of “dynamic” women who have helped shape the Club to what it is today! Over the years I’ve served on the board several times, have been secretary of the board, have chaired several fundraisers and currently co-chair the Youth Services Committee with Erik Mjoen. Our Youth Services Committee typically supports fifteen to eighteen projects annually involving UCSD, USD, Salk, the Preuss School, University High School and thanks to Krishna and Chris Muhart, a virtual student exchange program is being planned with schools in New Dehli and Afghanistan. I applaud the members of our committee for their time, talent and dedication to these programs and for supporting and mentoring the students who are striving to succeed in their academic endeavors.

Before retiring in 2008, I served as Vice President of Development of the Salk Institute and that was such a rewarding and gratifying career that I spent almost half my life there. Working with brilliant scientists, some of whom were Nobel Laureates was a privilege and being able to build a board and volunteer base to support them was great fun. After retiring I incorporated and have consulted for Salk, some non-profits, a biotec company and currently consult for a large California Foundation that supports research programs at Salk and UCSD.

Golf is one of my favorite things to do and I’ve had the privilege to play with some of my fellow Rotarians. The competition is intense but the monetary rewards can be pretty substantial!! Brad and I are members of San Diego Country Club where I have served on the board, chaired the Women’s Golf Association, am Captain of our Winter Cup Team and serve on the San Diego County Winter Cup League board. My latest extra curricular activity involves learning and playing bridge which is great exercise for my aging brain. Travel plans are in the works and we are this month heading off to Barcelona and from there a stay in the Basque region before heading to Bordeaux followed by a drive through the Loire Valley ending in Paris. It’s our first overseas travel since 2019 so we are looking forward to it and to several other excursions this year, one of which will be to Canada to visit family who we haven’t seen for almost three years. My two brothers, nieces, nephews, grand nieces and nephews (we number 22) live in B.C. and we are excited to finally be with them.

It is all of us who make our Club The Most Dynamic Rotary Club of the World and I’m very proud to be a member of such a distinguished group!
