THE FOUR WAY TEST

OF THE THINGS WE THINK, SAY OR DO

01

IS IT THE TRUTH?

Our apologies to the Zoomers this week. There were technical difficulties that prevented your access to the meeting.

Our scheduled Club Reporter was one of the Zoomers. I only started taking notes after the guest speaker began. So.... I guarantee that some info is missed, but, hopefully the next few paragraphs will give you a good taste of what transpired.

After **president Nancy's** initial remarks, and despite the non-cooperative remote, **Michael Slentz** did a fantastic job as the Rotarian of the Day updating us on his recent trip to Great Britain. He and his family recently spent some time abroad visiting England and Scotland. His daughter Isabelle will be going into her senior year this fall and is now looking very seriously at college options. And, what could be better than a study abroad experience. Edinburgh, a vibrant Scottish town with a perfect concoction of new and old architecture, served as home base as the family checked out a few universities in the area. After all of the campus visits and site seeing, the trip was capped off with a viewing of Shakespeare's King Lear at the Old Globe Theatre in London for Father's Day.

A few announcements were made. **Chris Richards**

announced the Back 2 School Drive on July 27th for the Boys & Girls Clubs of Greater SD. Please bring donated items (backpacks and school supplies) to or next meeting on July 22nd or contact **Niki Brown** to sign up for a drop-off time slot at the Clairemont Branch on July 27th (nbrown@sd youth.org or 858-866-0591 ext. 213).

Today some of you are helping drive Ukrainian refugees to the Handerly Hotel in Mission Valley, where they will have the opportunity to see booths from DMV, Credit Union/banks and such to help them get established. Thank you!

The very recently married **Brett Morey (CONGRATS to you and Karla!)** made an announcement regarding a free concert as well as a "musicians on surfboards" event. Please reach out to him for details.

Bonnie Aurora has graciously stepped in to be the front desk person/lead/coordinator. She will need some help from time to time. Please be as gracious and assist when asked.

In 1997, our guest speaker **Patricia G. Will** founded Belmont Village Senior Living – a fully integrated organization serving the senior living community. With her humble beginnings and first property

development in Houston, Texas, over the last 25 years her organization has developed 33 (going off memory here) communities throughout the country, with a large concentration in California (15). The most recent project was just completed this year in our back yard off Nobel Dr. in UTC/La Jolla, the third in San Diego. These facilities cater to seniors through different stages of aging – Independent Living, Assisted Living, Mild Cognitive Impairment, and Memory Care.

A major trend is taking shape. Unlike the recent past, where women outnumbered men 10 to 1 in these facilities, Patricia is happy to report that the UTC/La Jolla community is just about a 50/50 split.

It's no secret that we are living longer and longer. Keeping our bodies and minds sharp helps us settle into our golden years with resilience, postponing cognitive decline. And, Patricia likes to think that she is in the business of promoting wellness.

So, **GET OUT THERE THIS WEEKEND AND WORK ON YOUR WELLNESS!**
