LA JOLLA GOLDEN TRIANGLE YOUTH SERVICE - "MAKING AN IMPACT IN THE LIVES OF YOUTH"

Youth Service projects acknowledge the positive change implemented by youth and young adults involved in leadership development activities, community and international service, and exchange programs that enrich and foster world peace and cultural understanding. The committee members will take you on a journey of the many impactful youth projects undertaken by our club

REPORT

from the last meeting

THE FOUR WAY TEST

OF THE THINGS WE THINK, SAY OR DO

01

IS IT THE TRUTH?

LJGT Rotarians piloted the busy Marriott to find the meeting room hidden away on the 3rd floor and then squeezed in to find a place to sit, whereby President **Jacquie Riley** called the meeting to order! Her “children in the classroom” became very quiet, but for a minute!

Jay Hatfield, Rotarian of the Day, opened with a promise to entertain and delight as he reminisced about his last podium moment, wearing a blue elf costume! Jay spoke about the Braille Institute, which opened its new doors to the public. After selling their building in UTC, they are in a new building off Aero Drive.

Jay explained what the Braille institute does (all for free!) for those with vision impairment. Founded 102 years ago, Jay has been there for 31 years! In addition to teaching Braille, they offer classes, even in yoga, music, and technology!

PS. Jay plays in a band, BayWolf; join him at the Coronado Ferry Landing on Memorial Day. Jacquie plans to get a group of Rotarians to come out for fellowship and music!

Doing double duty (as a cub reporter and check-in), **Christy White** announced our guests and Rotaract students.

Announcements!

Jacquie had several plugs: (1) five ways to save the bees; (2) go see a new North Coast Rep play “Forbidden Broadway”; and (3) mark your calendars for the Promote/Demote party on June 25th at Malahat Spirits.

Brett Morey announced that the Road Rally is on May 21st, and it is not too late to join in. The rally will start in Balboa Park, and please wear your county costumes! Plus, he invited us to two Surfrider events!

Student Awards:

Marty Rosenstein introduced our Student Awardee, **Angela Perez**, who is on varsity cross-country, the Model UN team, and is VP of her campus club. Angela comes from “a big Mexican family” in which she is the oldest and leading by setting a fine example! Plus, she will be attending UCSD in the Fall!

High Fives!

David Chong gave a big high five to **Bonnie and Krishna Arora**, who donated \$500,000 to San Diego Oasis, a donation being made in memory of their beloved daughter **Shamilly Arora**. A standing

ovation was given to the Aroras with much Rotary love.

Sara Miceli gave a high five for purchasing a heated bleacher seat? No, wait! For being the proud mom of her child who made the All-Stars Team, and the seat will be put to good use!

Rich Papike gave himself a fine for mistaking our speaker’s accent as Australian, you bloke!

Jay Hatfield gave a high five to his 9-year grandson, who broke his first board in karate, KIAI!

Stephen Tako introduced speaker **Dr. Allison Cobb**, a Scripps scholar working on weather extremes and atmospheric rivers (AR). She explained the greenhouse effect and what an AR is. Brett said, “grab an umbrella!” And then, we learned that both droughts and heavy precipitation are forecasted as Earth’s temperature rises!

Jacquie closed the meeting by thanking Dr. Cobb and relating four inspirational stories.

Next week Ron Kohl is the Rotarian of the Day, and the Youth Services Committee takes the mike. The closing bell rang right on time!

Camino Walk – Spanish Steps

Spain, land of luscious rolling hills and cows in verdant meadows, rich in grains and vines, stunning mountain ranges, wild Atlantic white sand beaches, tumbling creeks and gentle pathways through peaceful forests. The haunting sound of the gaita (Galician bagpipes) serenade you, the birds sing and pilgrims put one foot in front of the other all the way across this diverse land.

Sample the emblematic white wine Albariño or a bottle of deep, hearty Rioja, delve into a bowl of Caldo Gallego, Tetilla cheese or Pulpo a la Gallego, roasted peppers of Navarre, cocido Maragato, fresh chestnuts and cherriesthe list goes on. Your senses will be tantalized and your palate satisfied in this part of the country we know and love the most.

For over 1000 years pilgrims have been walking the Camino de Santiago, to visit the tomb of St James in the mighty cathedral of Santiago de Compostela, from the east, north and south of the Iberian Peninsula. Whether you choose the Camino Francés or Camino Portuguese, chose our soothing combination of The Camino or forge your path all the way to the west coast at Finisterre, Spanish Steps will be with you, taking care of you every step of THE WAY.
