He told us the initial

happened on his

it! During this last

enough to drive and
he hasn't seen her or

LORI BENDE.....

fined STEVE BROWN

for not not getting
the name of our club
into the news article
they were quoted
in pertaining to the
Taliban and ISIS
surge in Afghanistan
and the effect it
may have on the
school for girls that
Steve and Fari and our
club created in that
struggling region! (We
are holding our breath
about this issue).
TONY GRILLO gave
“Happy Dollars”for
his team’s sweep of
a car race winning
almost every award

possible out of 70
entries!!!! BRETT
MOREY gave”
Happy Dollars” for
managing not to get
fired from his current

PRESIDENT
EMIDIO DELCONTE

... Announced the success of the clubs first in person social event at his plane's hangar this past week. Everyone had a great time! He also announced the first in person Merlot Monday event will be May 17th BYO drink and snack and meet at Nobel Park 5-7PM

Guest Speaker.....
Ernie Hahn from Club 33 and part of the 'Hahn real estate development family". Ernie told of his involvement with

past sports including West Coast Hockey and the impact covid had on his previous ventures. In 20202 he created Dream Hahn a promotion company involved in the "Wonderfront Festival "taking place for 3 days on the San Diego waterfront with music food and benefiting several charities. His current venture is the "Wonderbus "

We saw a video of the crazy fun double decker bus with live music traveling up and down the coast which can be rented for private parties and events. But a passion of his is being involved with an organization called "Boys to Men", a boys mentoring organization that

BRETT is also involved with.

RICK
CLARK.....
Wished a" Happy Mother's Day" only to those who were a Mother or those that had or have a mother!

EMIDIO..... Left us with a great quote from Will Rogers "Don't let yesterday take up too much of today!"

THE NEXT BIG

A D V E N T U R E

Now onto the next Big Adventure... being your Rotary President! I am eager and apprehensive at the same time. Past presidents have told me that it will be the best year of my life - and with your support, I'll do my best to make it a great year for all of us!

Let's see? Where do I start? OK at the beginning...I was born in the beautiful metropolis of Newark, New Jersey in the early 1950's. Raised by two loving parents in a "Leave it to Beaver" household, Dad worked and Mom stayed home, very 50s. While I grew up in the 60's I didn't rebel and do the hippie stuff.

I received an AS degree in Merchandising on the advice of my Dad "you have to learn how to sell as people will always be buying something!" Jobs included everything from retail sales to secretarial to running drill presses in a steel factory! Many of you know me as the former owner of What's New, a promotional company, which I sold to Custom Logos in 2019. So grateful that I sold it when I did as Covid was tough on that industry last year.

I joined the Del Mar Rotary Club in 2007 and switched to this club in February 2009 (with a little nudge from Kathleen Roche Tansey.) Joining Rotary was one of the best decisions I ever made, you all are like family to me. When people ask me about Rotary, I say that "it's a club of like minded people doing good for others" - how can you not want to join?

In April, happy to be traveling again this time to Savannah and Charleston (photo in front of burial plot of James Oglethorpe, founder of Savannah in 1732.)
More later...
