 rotarian of the day

**Dave Wiegman**

**D**ave was born and raised in Kensington, Maryland just outside of Washington, D.C. After graduating from high school, Dave went to Duke University in Durham, North Carolina. Yes, Dave is a Duke Blue Devil fan. He attempted wrestling with average results.

**D**ave majored in Management Science/Accounting and Psychology. In his senior year, Dave realized that his only career choices were selling soap (he interviewed with Procter & Gamble) or accounting. He chose the latter, having received six job offers out of seven with the

“big eight” accounting firms. He went to work for Price Waterhouse in Washington, D.C. where he became a CPA. After two years in the D.C. area, his brother-in-law convinced him to come to Park City, Utah to be a controller of several partnerships that were primarily involved in commercial and residential real estate development. He did not know it at the time, but many of the buyers were from southern California. Burnham, Frazee, and Easton, are just a few of the people who bought Deer Valley condos from his company. Interest rates on construction loans were 21%!!!

The decision was between San Diego and San Francisco. The decision was fairly easy. Dave got a job offer in Marin County and an offer with The Hooberman Group in San Diego. In San Francisco, Dave had to wait in bumper-to-bumper traffic for his interview, and in San Diego, Dave had to wait at Seaport Village on a beautiful sunny day. So the decision was easy. He moved to San Diego in 1986. Dave is married. He met his wife, Janice, in Park City, Utah, even though she is a native Californian. Janice graduated from San Diego State, and has been a registered dietician with Sharp Hospital for over 23 years.

Dave has two daughters, Rachel who is 22

and graduated from USC and Erin who is 18 and is a senior in high school. Both are great kids that are well-rounded and good students. Dave has one brother and one sister. Dave's brother is a well-respected Orthopedic Surgeon, and Dave's sister is semi-retired and living in St George, Utah. She is an accomplished artist and also participates in the ownership of a small winery in Napa Valley. Dave's parents are both living and will be turning 89 this summer. Dave's dad is retired from NBC where he was the White House photographer for many years. His dad's stories are fascinating and endless. He witnessed several presidencies up close including being in President Kennedy's motorcade when President Kennedy was assassinated. Dave continues to practice management and accounting and recently helped fellow Rotarian Craig Clark at CW Clark Inc. The great recession did its best to take Dave down a notch but he chooses to look at it as a practice run at retirement.

Dave is entering his 25th year with La Jolla Golden Triangle Rotary Club, the most dynamic rotary club in the world. Dave is proud to be a part of Rotary, and would like to thank you for the opportunity to participate. It has been and always will be a fun ride.
