Sponsorship Opportunity Package

With your help we can make a difference!

Come Join Us On April 27th , 2019!

The La Jolla Golden Triangle Rotary Club is planning its annual community event: ***The Quintessential Festival***, scheduled for April 27th, 2019. We'd like to invite you to **join us as a sponsor** for this exciting way celebrate the **Quintessence** of San Diego, through the county's craft beers, local wineries, distilleries, food, music, and most importantly the amazing people that make San Diego, America's Finest City. The inspiration for this community event stems from our desire to build a collaborative event that brings people together from throughout San Diego and raise awareness and funds for the great projects Rotary is doing locally and globally.

Last year's event drew around 750 attendees and this year we intend to drive attendance in excess of 1,000 individuals. This is our 6th year to host the event at the Nobel Park and Recreation Fields. A beautiful and central location for all to enjoy. We are excited about the support we received from Park Management and anticipate a tremendously successful event.

Your sponsorship will bring you into our event community and comes with free event tickets for \$500 and above sponsorship levels, various marketing exposures in print and online media and exciting recognition opportunities during the event itself. Please refer to the attached specific plans to select how you can join in creating this signature event for this year and in future years as well.

Yet perhaps the greatest benefit is positioning your business as a leader in giving back to our community. Proceeds from this event will go to a variety of charities supported by the **La Jolla Golden Triangle Rotary Club**. We hope to raise in excess of \$50,000 in donations with this event.

We welcome the opportunity to speak to you about getting involved with ***La Jolla Golden Triangle Rotary Club's: "The Quintessential Festival"***. Please fill out the enclosed **Sponsorship Opportunity Form** or visit our website: rotarycheersforcharity.org. Please call Luke Ervin with any questions.
