

# The Welcoming Committee

By: Bizawit Mokenen

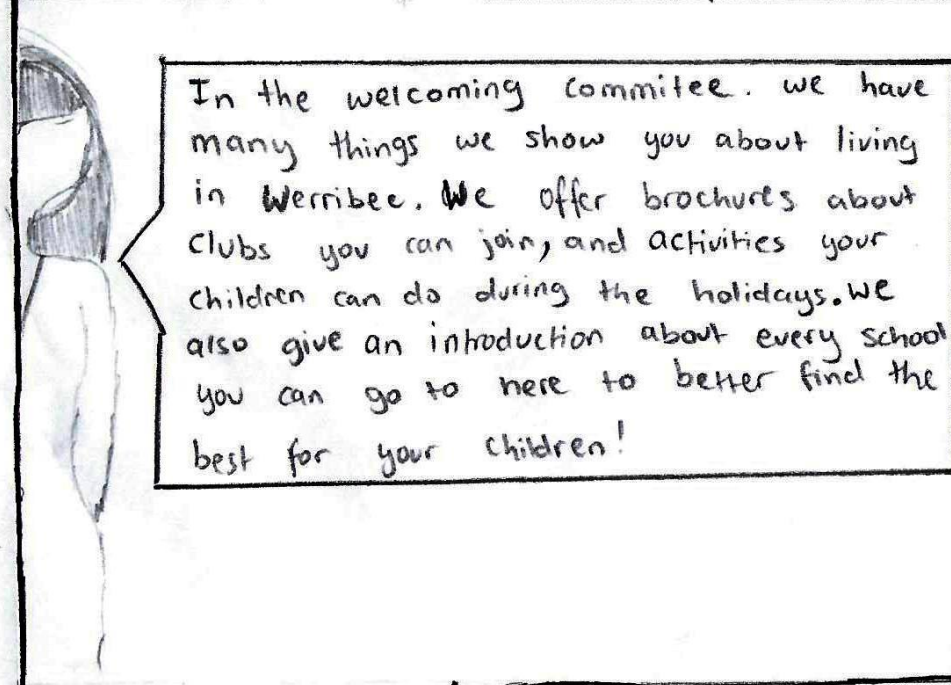

We just moved in from 2hrs away and we know nothing about this area. Moving has been very stressful, and I wish we had some help making getting to know the area and making decisions...

... Like what school would better suit for my kids.

Welcome to the  
Welcoming committee.

Schools	Activities	Tourist Destinations
Job offers		And More...

THE END.

NOTE:

I know I can't draw, But my family moved to Wernibee a few years and it took a while for us to settle in the neighborhood and I know that if this was available for us it would of helped. A comic book is the best way I found to portray this.
