WHATS ROTARY?

Rotary is an international membership organization made up of people who share a passion for and commitment to enhancing communities and improving lives across the world. Rotary clubs exist in almost every country.

Our members change lives locally and connect with other clubs to work on international projects that address today's most pressing challenges. Being a member is an opportunity to take action and make a difference, and it brings personal rewards and lifelong friendships in the process.

HOW IS ROTARY STRUCTURED?

ROTARY CLUB MEMBERS

There are more than 1.2 million Rotary club members, or Rotarians, around the world. You'll have the privilege of working with other professionals and the opportunity to make a difference in the lives of others by bringing together your expertise, skills, and resources.

ROTARY CLUBS

The club is the most important component of Rotary's organizational structure. There are over 35,000 Rotary clubs in more than 220 countries and geographical areas. Rotary clubs are autonomous, so the member experience varies from club to club. However, they all operate somewhat similarly. For example, all clubs have presidents, secretaries, and treasurers and committees that help them run smoothly. Each Rotary club is a member of Rotary International.

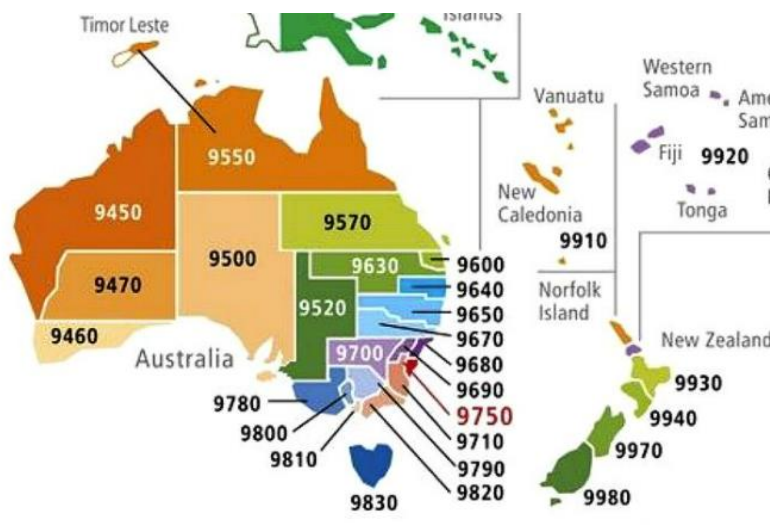

CLUB MEETINGS

Rotary clubs hold regular meetings where their members gather to socialize and to discuss their current projects, other Rotary matters, and professional topics. While most clubs meet in person, some clubs meet primarily online or have a combination of in-person and online meetings. Rotary is both apolitical and nonreligious, and Rotary clubs are encouraged to create an inclusive environment for all club members at their meetings.

Meetings can be formal or informal and can include food and drinks, speakers, an open forum for discussion, or group activities. The more you participate in your club's meetings and activities, the better overall experience you will have as a member.

DISTRICTS AND ZONES

Rotary clubs around the world, are grouped into districts, which provide administration & support to the clubs. Districts are led by a District governor who serves a one-year term, leading a team of assistant governors and district committees to support and strengthen clubs and motivate them to carry out service projects.

Governors visit each club in the district during the year, oversee the development of new clubs, and plan the district conference and other special events.

SENIOR LEADERS

The Rotary International president is elected to a one-year term, during which she or he presides over the Board of Directors. The RI Board of Directors and The Rotary Foundation Trustees govern our organization and its Foundation.

The Board sets policies that aim to help clubs thrive. Clubs elect members of the Board, or directors, every year at the Rotary International Convention. Each director serves for two years and represents one of the Rotary zones. The Board of Trustees manages the business of The Rotary Foundation. The Rotary International president-elect appoints Trustees to four-year terms.

The 2021/22 Rotary International President is Shekher Mehta, from the Rotary Club of Calcutta Mahanagar.

The president Elect for year 2022/23 is Jennifer Jones from Rotary Club of Windsor-Roseland, Ontario, Canada.

WHAT WE VALUE

Rotary was founded on principles that remain at the heart of the organization today. These principles reflect our core values – integrity, diversity, service, leadership, and fellowship, or friendship. Our core values emerge as themes in our guiding principles.

AVENUES OF SERVICE

We channel our commitment to service through five Avenues of Service, which are the foundation of club activity.

- Club Service focuses on making clubs strong. A thriving club is anchored by strong relationships and an active membership development plan.
- Vocational Service calls on all Rotarians to work with integrity and contribute their expertise to the problems and needs of society.
- Community Service encourages every Rotarian to find ways to improve the quality of life of people in their communities and to serve the public interest.
- International Service exemplifies our global reach in promoting peace and understanding. We support this avenue by sponsoring or volunteering on international projects, using local member expertise to build long-term partnerships for sustainable projects, seeking service partners.
- Youth Service recognizes the importance of empowering youth and young professionals through leadership development programs such as Rotaract, Interact, Rotary Youth Leadership Awards, and Rotary Youth Exchange, and more.

AREAS OF FOCUS

The causes we target to maximize our impact are called our areas of focus. Our most successful and sustainable projects and activities fall within these areas. Through global grants and other resources, we help clubs focus their service efforts in the following areas:

- Promoting peace
- Fighting disease
- Providing clean water
- Saving mothers and children
- Supporting education
- Growing local economies. Projects that focus on these causes are eligible for global grant funding from The Rotary Foundation.

THE ROTARY FOUNDATION

In 1917, Rotary President Arch Klumph announced his idea for an endowment fund dedicated to “doing good in the world.” Today, The Rotary Foundation helps clubs and districts work together to perform meaningful, sustainable service. Our top-rated, award-winning Foundation has spent more than US\$3.7 billion on life-changing, sustainable projects that help people in need around the world get clean water, medical care, literacy classes, and other essentials.

Our members’ and others’ contributions to the Foundation allow us to bring sustainable change to communities in need. Ask your club’s Rotary Foundation committee chair or visit rotary.org/donate to learn how you can support our Foundation. To learn more, download The Rotary Foundation

ERADICATING POLIO WORLDWIDE

Since 1985, Rotarians have served as community-based mobilizers for polio eradication, motivating international groups, governments, private organizations, communities, and individuals to join the global effort to rid the world of polio. Rotary works with partners in the Global Polio Eradication Initiative (GPEI), including the World Health Organization (WHO), the U.S. Centers for Disease Control and Prevention (CDC), United Nations Children's Fund (UNICEF), the Bill & Melinda Gates Foundation, and the

governments of the world to achieve this historic public health goal. As part of the effort, Rotarians contribute their time and money to the cause, raising funds, advocating for government support, serving as volunteers to help immunize children, and raising awareness in their communities. Rotary's contributions to the global polio eradication effort now exceed \$1.6 billion, including matching funds from the Gates Foundation. Hundreds of thousands of volunteers have supported National Immunization Days. Since 1988, more than 2 billion children have received oral polio vaccine, and we've achieved a 99.9 percent reduction in polio cases. It may be considered the greatest humanitarian service the world has ever seen, and every Rotarian can take pride in the achievement.
