

EastWest College & Rotary Club of Werribee Volunteer Reflexology Program

The Rotary Club of Werribee is offering simple hand reflexology training for people who would like to be part of our volunteer reflexology service. This service will be provided for the residents of Manor Court Aged care facility Werribee.

You will be required to complete 2 hours of basic hand reflexology training. A practice log of 2 hours will also be required. A qualified Reflexologist will provide additional support on site. Workshop notes will be supplied and you will be issued with a Certificate of Completion. You will Learn: Benefits of reflexology, how to communicate with the elderly, precautions and contraindications & WH&S considerations. You will require: a kind caring heart, a commitment to volunteering and a Police Check (form available from Police Station).
