

FLY THE FLAG

For over a century, the Alliance Rotary Club has stood as a beacon of support for our community. The Flag project, a vital fundraiser for two decades. You may be a current subscriber, or I am sure you have seen them while driving in our city during the Spring, Summer, or Fall.

We're reaching out with an exciting proposition! The Alliance Rotary 2024 Flag Committee aims to raise \$5000 to reinvest in our beloved flag program, contributing to the growth of our community initiatives. Your support can be the catalyst for significant, lasting change.

What's your contribution supporting? Marketing efforts for new subscribers and materials for crafting additional flags, aimed at expanding our reach in the 44601-zip code. Our goal is ambitious: a 40% growth in subscribers for 2024 and a whopping 100% increase over the next 5 years.

Not only does the program contribute to the greater good, but it also adds a touch of patriotism to our community. The flags, waving proudly, elevate the visual charm of our town.

Join us in making a lasting impact! Let's collaborate to ensure the Alliance Rotary Flag program flourishes in 2024.
