It is designed to serve as a model for community and international service. Guest speakers will include: Attorney Chuck Hanson, President, Riverside International Friendship Gardens; Tim Kabat, Mayor, City of La Crosse; Tami Woods, President, Rotary Club of La Crosse; Sister Eileen McKenzie, President, Franciscan Sisters of Perpetual Adoration and a representative from Kumbo, Cameroon

**The public is also warmly invited to an additional tour
at the garden from 5:00 - 6:00 PM,
followed by a celebration hosted by The La Crosse Friends of Cameroon.
The celebration will include music, drumming, dancing and light refreshments.**

The new Cameroon garden was made possible thanks to generous donations from community members and area businesses; and through the efforts of area Rotary clubs who collaborated on this project in celebration of 100 years of Rotary in our region.
