Rotary Club of La Crosse,

Thank you for the wonderful program and recognition of the Extra Effort students. I truly believe La Crosse is the best place to teach and raise a family. The support and encouragement from our community is **AMAZING!**

Thank you again for the generous gifts to the students + recognition luncheon.

Thank you so much for  
the generous amount of  
money that was in the  
gift baskets. I will be  
putting that money towards  
my tuition at UW-Platteville  
I'm so grateful that  
the community cares  
so much about US kids.

Thank you for not only the  
award but the generous gift box  
that came with. The money will go towards  
the benefit of my educational future. I appreciate  
the community reaching out to its students.

With gratitude,  
Byrains
