

WE ASKED...AND YOU CAME THROUGH!

During the last half of May and early June the Foundation Committee for our club made a case for our support of the *Rotary International Foundation*, the *Annual Programs Fund*, our local *Rotary Works Foundation* and for the *Polio Eradication Fund*. We share with you the following:

		Per Contributing Member
Rotary International Foundation	\$15,856.50	\$100.36
Rotary Works Foundation	\$21,477.50	\$135.93
Polio Eradication Fund	\$ 8,803.00	<u>\$ 62.04</u>
Total Support	\$46,137.00	\$292.00

This represents an 8.7% increase in support and is simply amazing. It is unmatched by any other club in our district. These numbers are the front end of a bigger success story. World peace begins with the key elements of social justice, a roof, a floor, clean water, good food, health care and education opportunities. That is the work of the Rotary Foundation. We have made an investment in social justice. Our support of the Polio Eradication Fund will provide 17,600 children with the polio vaccine that will forever impact their lives. The Rotary Works Foundation will continue to impact quality of life issues in our area.

On behalf of those who will benefit for the generosity of the members of the Rotary Club of La Crosse, and on behalf of the Foundation Committee...Thank You!
