Thanks to a generous membership and a giving community, the Rotary Club of La Crosse does a lot of good around here. Establishing Mobile Meals, helping the Salvation Army and Hunger Task Force, facilitating organ donor awareness programs... lots of things.

To raise funds for future projects, we want to make you an offer. One that tastes too good to refuse. A gift idea that's sure to put a smile on everybody's face – the Rotary Fruit Basket. Each wicker basket costs \$20 and is loaded with apples, oranges, pears, grapefruit and peanuts. The fruit and nuts are delicious and the sturdy basket makes an attractive keepsake.

Trust us... your friends, family and business associates are going to love it!

Place your order by December 1st and your order will be delivered on December 12th or December 14th, your choice. We have special rates for large orders (check out the sale flyer), and thanks, your help makes it easier to help others.
