

The 2016 Rotary District 6250 District Conference Service Project:

GIVE YOUR PERSONAL CARE

Rotary District 6250 knows how important it is to help those in need so please help by bringing personal care items to be shared around the District!

Please find room in your heart to purchase and donate new, in-the-package personal care items and toiletries. Items needed include but are not limited to:

**Soap • Lotion • Toilet paper • Diapers • Vitamins • Shampoo & Conditioner
Feminine Hygiene Products • Toothpaste • Toothbrushes • Hair Care Products**

We encourage you to collect items individually or make a larger impact by collecting as a Club! Send the items with Rotarians attending District Conference!

Collection boxes with your Club name will be in the House of Friendship near registration. Items will go to pantries all around the District.

Thank You!
