

AN INNOVATIVE SYSTEM CHANGE

GREAT RIVERS

Great Rivers HUB bridges the gap between health care delivery and the social services sector for improved population health, increased client experience and engagement, and cost savings.

A program of Great Rivers United Way

THE HUB MODEL

- Focuses on improved population health, increased client experience and engagement, and cost savings
- Assists with removing silos and fragmentation
- Uses existing community resources (medical and social) more efficiently and effectively
- Focuses on risk reduction
- Provides holistic community care coordination

A FAMILY FACING CHALLENGES

- Needs new medical home
- Two ER visits this month
- No asthma action plan
- Struggling in school

- Pregnant
- Lost job
- Unable to pay rent
- Unreliable transportation

- One-bedroom apartment
- Type 2 Diabetes
- 1 1/2 pack per day smoker

THE PATHWAYS

- Adult Education
- Behavioral Health
