

iFeed

11.7.15

Alleviating hunger in the world & in our communities.

iFeed is a one-day event where over 50,000 dried meals are packed and boxed, ready for shipment to a country where children are hungry. It's also a one-day all-Coulee Region food drive to fill area food pantries.

When? 11.7.15 • 9 am to 3 pm

Where? Logan High School

**Drive-up & drop off your collected donations
OR come inside with donations and watch the meal packing.**

How can YOU help iFeed?

Bring non-perishable food items to donate. Or, make an even larger impact and organize a food drive in your school, your neighborhood, at your place of business or place of worship. Then bring the donations to iFeed 11.7.15 and be a part of the season's largest food drive!

thank you!
