

Al's Muskie Challenge

aka

Rotary's Deep Dive for Diapers II

Dry bottoms = happy, healthy kiddos.

Rotarian Al Louis is on a 5-week Muskie fishing trip. He caught 7 muskies on a similar trip last year. This year he will donate \$100 for each Muskie he catches to Rotary's Deep Dive for Diapers II (he will donate a minimum of \$500 and a Rotary friend from Lake Vermilion will donate \$200).

Al challenges all Rotarians to make a similar pledge of \$X/Muskie he catches or a flat \$ donation to the cause.

A clipboard sign-up will be routed at our weekly meetings. Weekly updates will be provided to members. The challenge will conclude with vacation's end – Aug 23rd.

All proceeds will be used to purchase diapers to be distributed by The Parenting Place staff to needy families. (Checks made out to The Parenting Place will be a tax-deductible donation).
