## Accident claims one

By Carrie McMurray  
News Associate Editor

The DeKalb County Sheriff's Office and the DeKalb County Coroner's Office are currently investigating an accident which occurred Sunday, April 6.

At approximately 2:30 a.m., an off-duty Kirkland Police Officer discovered an over-turned vehicle on Cherry Valley Road, west of Paulson Road in Kirkland.

The officer contacted the Kirkland Fire Department and the County Sheriff's Office.

The car had been east bound on Cherry Valley Road when it left the roadway and rolled over onto its top.

The driver of the car, James Miller, 38, Kirkland, was pronounced dead on the scene by DeKalb Deputy Coroner Earl Tischler.

A passenger in the vehicle, Vonda Ullmark, Kirkland, was thrown from the car. After being transported to Kishwaukee Hospital by the Kirkland Rescue Squad, she was taken to St. Anthony's Hospital in Rockford, where, as of press time, she was listed as being in the neuro-intensive care unit in serious condition.

The accident is being investigated by the DeKalb County Coroner's Office and the DeKalb County Sheriff's Office.

**P**udge the Boxer supervises crew chief Toby Nuttleman as he prepares the super late model of Seymour, Wisconsin's Ty Majeski for Florida Speedweeks. As much as Majeski and Nuttleman earn the accolades, Pudge plays a vital role in ensuring that they stay on task. Hopefully, Pudge receives his fair share of treats, too.

*Your shop pet could appear in Speedway Illustrated and they could help their favorite driver win a \$50 gift certificate to RaceDay Safety. Send a high-resolution photo and a few words about your pet to [jackley@speedwayillustrated.com](mailto:jackley@speedwayillustrated.com).*
