Bed nets provide a safe, peaceful night's rest in countries like Uganda, where malaria is a major health concern.

\$15 POLIO VACCINES

Polio is still a crippling threat to children in Afghanistan, Pakistan, and Nigeria. A gift of just \$15 helps protect children for life.

\$85 BUSINESS CLASSES

In the U.S., business classes teach low-income entrepreneurs how to build their businesses.

\$100 SEWING MACHINE

Within Rotary microfinance training, sewing machines are used to show entrepreneurs how to turn sewing skills into a business.

\$200 MEDICAL EQUIPMENT

Newborns start their lives healthy when hospitals have up-to-date equipment to care for babies in their first moments.

\$500 ANTI-BULLYING CAMPAIGN

No child should live in fear of being bullied. Your gift helps communities create a safe and positive atmosphere where children can thrive.

\$1,000 CONFLICT RESOLUTION TRAINING

When secondary school students learn to resolve conflict, they can build a more peaceful and secure future for themselves and their communities.

\$2,650 IRRIGATION SYSTEM

In areas where food security is a concern, irrigation systems give farmers a reliable and efficient water source, which in turn helps provide food for the community.
