River View Vineyard and Winery
32882 County Hwy 1, La Crescent, MN
is nestled in the scenic bluffs above
the beautiful winding Mississippi
River Valley, north of La Crescent
(across the river from La Crosse).

In 2003, River View Vineyard was
started with cold hardy grapes,
developed for our region by Elmore
Swenson and the University of
Minnesota.

After several years of perfecting the
wine, River View Winery opened in
the fall of 2011. Growing grapes in
the La Crescent area, long known as
the Apple Capital of Minnesota, is
something new and exciting.

Visit us to experience our award
winning wines and we will even toss
in a free breath taking view.
